Chapter I General Provisions

(Purpose)

Article 1 The purpose of this Act is to regulate the manufacture, sale, etc. of Electrical Appliances and Materials and to foster voluntary activities by private businesses to ensure the safety of Electrical Appliances and Materials, so as to prevent hazards and damages resulting therefrom.

(Definitions)

Article 2 (1) The term "Electrical Appliances and Materials" as used in this Act shall mean the following:

- (i) Parts of electrical facilities for general use (meaning electrical facilities for general use as prescribed in Article 38, paragraph (1) of the Electricity Business Act (Act No. 170 of 1964)) and machines, appliances, and materials used in connection therewith, as specified by Cabinet Order;
- (ii) Portable power generators as specified by Cabinet Order; and
- (iii) Secondary batteries as stipulated by Cabinet Order.

(2) The term "Specified Electrical Appliances and Materials" as used in this Act shall mean Electrical Appliances and Materials as specified by a Cabinet Order

which are particularly likely to cause hazards or damages because of their structures, methods of use, or other conditions of use.

Chapter II Notification of Business, etc.

(Notification of Business)

Article 3 All persons engaged in manufacturing or importing Electrical Appliances and Materials shall, within 30 days from the commencement of such business, notify the Minister of Economy, Trade and Industry of the following items in accordance with the Electrical Appliance and Material classification specified by Ordinance of the Ministry of Economy, Trade and Industry:

- (i) Name or trade name and address, and in the case of a juridical person, the name of the representative;
- (ii) Classification by product type of the relevant Electrical Appliances and Materials as specified by Ordinance of the Ministry of Economy, Trade and Industry; and
- (iii) Name and location of the plant or workplace where said Electrical Appliances and Materials are manufactured (in the case of persons engaged in importing Electrical Appliances and Materials, the name or trade name and address of the manufacturer of the Electrical Appliances and Materials).

(Succession)

Article 4 (1) When a person who has made a notification as set forth in the preceding Article (hereinafter referred to as a "Notifying Supplier") assigns the whole of the business to which such notification pertains to another person, or when there is a succession, merger, or company split (limited to those resulting in the transfer of the whole of the business to which the notification pertains) involving the Notifying Supplier, the person who acquires the whole of the business of the Notifying Supplier, the successor (or in the case of multiple successors, one successor selected by unanimous agreement of all successors), the juridical person surviving the merger or newly established as a result of the merger, or the juridical person that succeeds to the whole business as a result of the company split shall succeed to the position of the Notifying Supplier.

(2) Any person who has succeeded to the position of Notifying Supplier pursuant to the provisions of the preceding paragraph shall notify the Minister of Economy, Trade and Industry of such succession without delay, and shall attach documentation to such notification evidencing such fact.

(Notification of Change)

Article 5 In the case of any change in the matters set forth in the items of Article 3, the Notifying Supplier shall notify the Minister of Economy, Trade and Industry of such change without delay; provided, however, that this shall not apply to a change in minor details as specified by Ordinance of the Ministry of Economy, Trade and Industry.

(Notification of Permanent Cessation of Business)

Article 6 When a Notifying Supplier permanently ceases doing business to which the notification pertains, it shall notify the Minister of Economy, Trade and Industry of such cessation without delay.

(Provision of Information Pertaining to Notified Matters)

Article 7 Any person may request that the Minister of Economy, Trade and Industry provide information pertaining to the matters listed in Article 3, items (i) and (ii).

Chapter III Conformity Assessment of Electrical Appliances and Materials, etc.

(Obligation of Standards Compliance, etc.)

Article 8 (1) A Notifying Supplier, when manufacturing or importing Electrical Appliances and Materials of a product type pertaining to a notification given pursuant to the provisions of Article 3 (hereinafter referred to as the "Product Type Specified in the Notification") shall comply with the technical standards specified by Ordinance of the Ministry of Economy, Trade and Industry (hereinafter referred to as the "Technical Standards"); provided, however, that this shall not apply in the following cases:

- (i) When the approval of the Minister of Economy, Trade and Industry has been obtained for the manufacture or import of Electrical Appliances and Materials to be used for a specific application; or
- (ii) When the manufacture or import is for experimental purposes.

(2) A Notifying Supplier shall conduct an assessment of the Electrical Appliances and Materials set forth in the preceding paragraph which are manufactured or imported by the Notifying Supplier (excluding Electrical Appliances and Materials manufactured or imported through the application of the proviso to the preceding paragraph) pursuant to Ordinance of the Ministry of Economy, Trade and Industry, and shall prepare and keep a record of said assessment.

(Conformity Inspection of Specified Electrical Appliances and Materials)

Article 9 (1) When the Electrical Appliances and Materials that are set forth in paragraph (1) of the preceding Article and manufactured or imported by a

Notifying Supplier (excluding Electrical Appliances and Materials manufactured or imported through application of the proviso to said paragraph) are Specified Electrical Appliances and Materials, the Notifying Supplier shall, before their sale, have them inspected with respect to the following items (hereinafter referred to as a "Conformity Inspection") by an organization registered with the Minister of Economy, Trade and Industry pursuant to the provisions of the following paragraph, and shall obtain and retain the certificate set forth in said paragraph; provided, however, that this shall not apply in the case where the certificate set forth in said paragraph pertaining to item (ii) has already been obtained and retained for a Specified Electrical Appliance and Material of the same product type as said Specified Electrical Appliance and Material and the period specified by Cabinet Order for each Specified Electrical Appliance and Material, calculated from the day on which said certificate was obtained, has not yet lapsed, or in the case where documentation specified by Ordinance of the Ministry of Economy, Trade and Industry as the equivalent of the certificate set forth in said paragraph is retained:

- (i) Said Specified Electrical Appliances and Materials; and
 - (ii) The Specified Electrical Appliances and Materials used for testing and the assessment facilities for said Specified Electrical Appliances and Materials which are in the Notifying Supplier's plant or workplace, and other matters as specified by Ordinance of the Ministry of Economy, Trade and Industry.
- (2) The registered bodies set forth in the preceding paragraph shall conduct a Conformity Assessment of the matters listed in the items of said paragraph using a method specified by Ordinance of the Ministry of Economy, Trade and Industry, and when these matters are found to comply with the Technical Standards and other standards specified by Ordinance of the Ministry of Economy, Trade and Industry relating to the assessment facilities set forth in item (ii) of said paragraph and other matters specified by an Ordinance of the Ministry of Economy, Trade and Industry, it may issue to the Notifying Supplier a certificate to that effect pursuant to Ordinance of the Ministry of Economy, Trade and Industry.

(Labeling)

Article 10 (1) When a Notifying Supplier has performed its obligations pursuant to the provisions of Article 8, paragraph (2) (in the case of Specified Electrical Appliances and Materials, Article 8, paragraph (2) and Article 9, paragraph (1)) concerning compliance with the Technical Standards for Electrical Appliances and Materials of the product type pertaining to the notification, it may affix labeling to said Electrical Appliances and Materials in the form specified by Ordinance of the Ministry of Economy, Trade and Industry.

(2) Except where a Notifying Supplier affixes labeling to the Electrical Appliances and Materials of the product type pertaining to the notification pursuant to the provisions of the preceding paragraph, no person shall affix labeling as set forth in said paragraph or any other labeling similar thereto to the Electrical Appliances and Materials.

(Order for Improvement)

Article 11 When the Minister of Economy, Trade and Industry finds that a Notifying Supplier has violated the provisions of Article 8, paragraph (1), he/she may order the Notifying Supplier to take the necessary measures to improve the method of manufacturing, importing, or assessing Electrical Appliances and Materials or other working methods.

(Prohibition on Labeling)

Article 12 In the cases listed in the following items, the Minister of Economy, Trade and Industry may prohibit, pursuant to the provisions of Article 10, paragraph (1), a Notifying Supplier from affixing labeling to the Electrical Appliances and Materials of the product type pertaining to a notification prescribed in those items for a specified period not exceeding one year:

- (i) Where the Electrical Appliances and Materials of the product type pertaining to the notification that were manufactured or imported by the Notifying Supplier (excluding those manufactured or imported through the application of the proviso to Article 8, paragraph (1)) do not comply with the Technical Standards, and when deemed particularly necessary by the Minister of Economy, Trade and Industry to prevent hazards or damages: The product type pertaining to the notification and to which said Electrical Appliances and Materials that do not conform to said Technical Standards belong;
- (ii) Where there has been a violation of Article 8, paragraph (2) or Article 9, paragraph (1) with respect to the Electrical Appliances and Materials of the product type pertaining to the notification which were manufactured or imported by the Notifying Supplier: The product type pertaining to the notification; or
- (iii) Where there has been a violation of an order made pursuant to the provisions of the preceding Article with respect to the Electrical Appliances and Materials of the product type pertaining to the notification which were manufactured or imported by the Notifying Supplier: The product type pertaining to the notification, and to which the Electrical Appliances and Materials pertaining to said violation belong.

Chapter IV Restrictions on Sale, etc.

(Restrictions on Sale)

Article 27 (1) Any person engaged in manufacturing, importing, or selling Electrical Appliances and Materials shall neither sell nor display for the purpose of sale said Electrical Appliances and Materials unless the labeling set forth in Article 10, paragraph (1) is affixed to said Electrical Appliances and Materials.

(2) The provisions of the preceding paragraph shall not apply if the person prescribed in said paragraph falls under either of the following items:

(i) When the person has obtained the approval of the Minister of Economy, Trade and Industry in the case of the sale or display for the purpose of sale of the Electrical Appliances and Materials to be used for a specific application; or

- (ii) When the person sells or displays for the purpose of sale the Electrical Appliances and Materials pertaining to the approval set forth in Article 8, paragraph (1), item (i).

(Restrictions on Use)

- Article 28 (1) Electricity utilities as prescribed in Article 2, paragraph (1), item (x) of the Electricity Business Act, persons who install electrical facilities for private use as prescribed in Article 38, paragraph (4) of said Act, Electrical Engineers as prescribed in Article 2, paragraph (4) of the Electrical Engineers Act (Act No. 139 of 1960), Qualified Electrical Engineering Specialists as prescribed in Article 3, paragraph (3) of said Act, and Certified Electrical Engineers as prescribed in Article 3, paragraph (4) of said Act shall not use Electrical Appliances and Materials in any construction to install or modify electrical facilities as prescribed in Article 2, paragraph (1), item (xvi) of the Electricity Business Act unless the labeling set forth in Article 10, paragraph (1) is affixed thereto.
- (2) Any person engaged in manufacturing products that are manufactured using Electrical Appliances and Materials as parts or accessories and which are specified by Cabinet Order shall not use Electrical Appliances and Materials in manufacturing such products unless the labeling set forth in Article 10, paragraph (1) is affixed thereto.
 - (3) The provisions of paragraph (2) of the preceding Article shall apply mutatis mutandis to the cases set forth in the preceding two paragraphs.

Chapter V Registration of Conformity Assessment Bodies, etc.

Section 1 Registration of Conformity Assessment Bodies

(Registration)

- Article 29 (1) The registration set forth in Article 9, paragraph (1) shall be carried out based on an application made by a person who intends to conduct a Conformity Assessment for each classification of Specified Electrical Appliances and Materials (hereinafter referred to as the "Classification of Specified Electrical Appliances and Materials") specified by Ordinance of the Ministry of Economy, Trade and Industry.
- (2) Where the Minister of Economy, Trade and Industry has received an application pursuant to the preceding paragraph, when he/she deems necessary, he/she may have the National Institute of Technology and Evaluation (hereinafter referred to as "NITE") conduct the necessary examination to determine whether or not said application conforms to the items of Article 31, paragraph (1).

(Disqualification)

Article 30 Any person who falls under any of the following items shall not be able to obtain the registration set forth in Article 9, paragraph (1):

- (i) Any person who has violated this Act or a disposition pursuant to this Act, who has been punished by a fine or more severe punishment, and for whom two years have not passed since completion of said punishment or since the date on which the person ceased to be subject to the execution of said punishment;
- (ii) Any person for whom two years have not passed since his/her registration was rescinded pursuant to the provisions of Article 41 or Article 42-4, paragraph (1); or
- (iii) Any juridical person in which an officer engaged in duties falls under either of the preceding two items.

(Standards for Registration)

Article 31 (1) The Minister of Economy, Trade and Industry shall register any person who applies for registration pursuant to Article 29, paragraph (1) (hereinafter referred to as the "Applicant" in this paragraph) when the Applicant conforms to all of the following items. In this case, the procedures necessary for registration shall be specified by Ordinance of the Ministry of Economy, Trade and Industry:

- (i) The Applicant conforms to the standards set by the International Organization for Standardization and the International Electrotechnical Commission for bodies that certify products; and
- (ii) The Applicant does not fall under any of the following sub-items as a person controlled by a Notifying Supplier which manufactures or imports Specified Electrical Appliances and Materials for which a Conformity Inspection is required pursuant to the provisions of Article 9, paragraph (1) (hereinafter referred to as a "Supplier Subject to Conformity Inspection" in this item and Article 37, paragraph (2)):
 - (a) In the case where the Applicant is a business corporation, an Applicant for whom the Supplier Subject to Conformity Assessment is the parent juridical person (meaning the parent juridical person prescribed in Article 879, paragraph (1) of the Corporation Act (Act No. 86 of 2005))
 - (b) An Applicant for which more than half of the officers or employees (in the case of an equity company (meaning an equity company as prescribed in Article 575, paragraph (1) of the Corporation Act), officers in charge of its operations) are officers or employees of the Supplier Subject to Conformity Assessment (including those who have been officers or employees of the Supplier Subject to Conformity Assessment in the past two years); or
 - (c) The Applicant (for a juridical person, an officer having representation

- power thereof) who is an officer or employee of a Supplier Subject to Conformity Assessment (including those who were officers or employees of said Supplier Subject to Conformity Assessment in the past two years).
- (2) The registration set forth in Article 9, paragraph (1) shall be completed by describing the following matters in the Registration Record for Conformity Assessment Bodies:
- (i) Date of registration and registration number;

- (5) When NITE has conducted an inspection or asked questions prescribed in paragraph (3) following the instructions set forth in the preceding paragraph, it shall report the results to the Minister of Economy, Trade and Industry.

Chapter V-2 Order for Hazard Prevention, etc.

(Order for Hazard Prevention, etc.)

Article 42-5 Where there seems to be a risk of the occurrence of hazards or damages as a result of either of the causes listed in the following items, the Minister of Economy, Trade and Industry may, when he/she deems it particularly necessary in order to prevent the spread of such hazards or damages, order the person prescribed in the respective items to recall the Electrical Appliances and Materials that said person has sold or to take any other necessary measures to prevent the spread of the hazards or damages caused by said Electrical Appliances and Materials:

- (i) The person engaged in manufacturing, importing, or selling Electrical Appliances and Materials has sold Electrical Appliances and Materials in violation of Article 27, paragraph (1); or
- (ii) A Notifying Supplier has manufactured, imported, or sold Electrical

Appliances and Materials of the product type specified in the notification which do not conform to the Technical Standards (excluding the cases where a Notifying Supplier has manufactured or imported the Electrical Appliances and Materials pursuant to the proviso to Article 8, paragraph (1)).

Chapter VI Miscellaneous Provisions

(Conditions on Approval)

Article 43 (1) Conditions may be attached to the approval to be granted under Article 8, paragraph (1), item (i) or Article 27, paragraph (2), item (i).

(2) The conditions set forth in the preceding paragraph shall be limited to the minimum required to ensure the successful implementation of the matters concerning the approval, and shall not impose any unreasonable obligation on the person who is to obtain said approval.

(Public Notice)

Article 44 In any of the following cases, the Minister of Economy, Trade and Industry shall place a public notice of the relevant matters in the official gazette:

(i) When the Minister has made a registration under Article 9, paragraph (1);

(ii) When the Minister has prohibited labeling pursuant to Article 12;

(iii) When the Minister has received a notification given under Article 34 (including the cases where it is applied mutatis mutandis pursuant to Article 42-3, paragraph (2));

(iv) When the Minister has received a notification given under Article 36 (including the cases where it is applied mutatis mutandis pursuant to Article 42-3, paragraph (2));

(v) When the Minister has rescinded a registration or ordered the suspension of Conformity Assessment operations pursuant to Article 41;

(vi) When the Minister conducts the whole or part of the Conformity Assessment operations him/herself pursuant to Article 42-2, paragraph (1), or when he/she ceases to perform the whole or part of the Conformity Assessment operations that he/she had conducted him/herself;

(vii) When the Minister has AIST or NITE conduct the whole or part of the Conformity Assessment operations pursuant to Article 42-2, paragraph (2), or ceases to have AIST or NITE conduct the whole or part of Conformity Assessment operations that AIST or NITE had conducted; or

(viii) When the Minister has rescinded a registration pursuant to Article 42-4, paragraph (1).

(Collection of Reports)

Article 45 (1) The Minister of Economy, Trade and Industry may, to the extent necessary for the enforcement of this Act, pursuant to the provisions of Cabinet Order, have persons engaged in manufacturing, importing, or selling Electrical Appliances and Materials or persons engaged in business as prescribed in Article 28, paragraph (2) report on their operations.

(2) The Minister of Economy, Trade and Industry may, to the extent necessary for the enforcement of this Act, have Domestic Registered Conformity Assessment Bodies report on their operational or financial conditions.

(On-site Inspections, etc.)

Article 46 (1) The Minister of Economy, Trade and Industry may, to the extent necessary for the enforcement of this Act, have officials of the Ministry of Economy, Trade and Industry enter the offices, factories, workplaces, stores, or warehouses of persons engaged in manufacturing, importing, or selling Electrical Appliances and Materials or persons engaged in business as prescribed in Article 28, paragraph (2), inspect the Electrical Appliances and Materials, books, documents, and any other objects, or ask questions of the relevant persons.

(2) The Minister of Economy, Trade and Industry may, to the extent necessary for the enforcement of this Act, have officials of the Ministry of Economy, Trade and Industry enter the offices or places of business of Domestic Registered Conformity Assessment Bodies, inspect their operational conditions or books, documents, and any other objects, or ask questions of the relevant persons.

(3) The officials who conduct on-site inspections or ask questions pursuant to the preceding two paragraphs shall carry a certificate of identification and shall show it to the relevant persons.

(4) The Minister of Economy, Trade and Industry may, when he/she deems necessary, have NITE conduct an on-site inspection or ask questions pursuant to paragraph (1) or paragraph (2).

(5) The Minister of Economy, Trade and Industry shall, when he/she has NITE conduct an on-site inspection or ask questions pursuant to the preceding paragraph, give instructions to NITE with respect to the site to be inspected and any other necessary matters.

(6) NITE shall, when having conducted an on-site inspection or asked questions as prescribed in paragraph (4) following the instructions given under the preceding paragraph, report the results thereof to the Minister of Economy, Trade and Industry.

(7) Any employee of NITE who conducts an on-site inspection or asks questions pursuant to paragraph (4) shall carry a certificate of identification and show it to the relevant persons.

(8) The authority under paragraph (1) or paragraph (2) shall not be construed to allow criminal investigations.

(Submission of Electrical Appliances and Materials)

Article 46-2 (1) Where the Minister of Economy, Trade and Industry has had officials of the Minister of Economy, Trade and Industry conduct an inspection pursuant to paragraph (1) of the preceding Article or has had NITE conduct an inspection pursuant to paragraph (4) of the same Article, and any Electrical Appliances and Materials are found to be difficult for the ministry officials or NITE to inspect at the place where they are located, the Minister may order the owner or possessor of such Electrical Appliances and Materials to submit them within a certain time limit.

(2) The national government (or the relevant prefectural government in the event that the prefectural governor, pursuant to the provisions of the Cabinet Order specified in Article 55-2, takes charge of the affairs that fall within the authority of the Minister of Economy, Trade and Industry under the preceding paragraph) shall compensate the owner or possessor for any loss arising from an order issued under the preceding paragraph.

(3) The loss to be compensated under the preceding paragraph shall be any such loss that would generally arise from the order issued under paragraph (1).

(Order to NITE)

(Transitional Measures Concerning Penal Provisions)

Article 17 With regard to the application of penal provisions to acts committed prior to the enforcement of this Act and acts committed after the enforcement of this Act, in the case where the provisions then in force remain applicable as set forth in the Supplementary Provisions of this Act, the provisions then in force shall remain applicable.

(Delegation to Cabinet Order)

Article 18 In addition to what is provided in Article 2 to the preceding Article of the Supplementary Provisions, the necessary transitional measures pertaining to the enforcement of this Act shall be specified by Cabinet Order.

Supplementary Provisions [Act No. 50 of May 21, 1999] [Extract]

(Effective Date)

Article 1 This Act shall come into force as of March 21, 2000.

Supplementary Provisions [Act No. 87 of July 16, 1999] [Extract]

(Effective Date)

Article 1 This Act shall come into force as of April 1, 2000; provided, however, that the provisions set forth in the following items shall come into force as of the date specified in each item:

- (i) The provisions in Article 1 to revise the Local Autonomy Act (limited, however, to the part concerning Article 250-9, paragraph (1) of said Act (limited, however, to the part concerning the requirement of consent of both Houses)) by adding five Articles, a Section title, and two Subsections and their titles following Article 250; the provisions of Article 40 to revise

paragraph (9) and paragraph (10) of the Supplementary Provisions of the Natural Parks Act (limited, however, to the part concerning paragraph (10) of the Supplementary Provisions of said Act); the provisions of Article 244 (excluding, however, the part concerning the provisions to revise Article 14-3 of the Agricultural Improvement and Promotion Act); the provisions of Article 472 (excluding, however, the part concerning the provisions to revise Article 6, Article 8, and Article 17 of the Act on Special Provisions Concerning Mergers of Municipalities); and the provisions of Article 7, Article 10, Article 12, the proviso in Article 59, Article 60, paragraph (4) and paragraph (5), Article 73, Article 77, Article 157, paragraph (4) through paragraph (6), Article 160, Article 163, Article 164, and Article 202 of the Supplementary Provisions: the date of the promulgation of this Act;

(Affairs of the State, etc.)

Article 159 In addition to what is provided in the relevant Acts prior to their revision by this Act, affairs that are to be managed or performed, prior to the enforcement of this Act, by an agency of a local public entity on behalf of the State, another local public entity, or any other public organization pursuant to Acts or Cabinet Order enacted thereunder (hereinafter referred to as "Affairs of the State, etc." in Article 161 of the Supplementary Provisions) shall, after the enforcement of this Act, be handled by the local public entity as its own affairs pursuant to Acts or Cabinet Order enacted thereunder.

(Transitional Measures Concerning Dispositions, Applications, etc.)

Article 160 (1) With respect to dispositions to grant licenses or approval, etc. and other acts carried out, prior to the enforcement of this Act (or the respective provisions listed in the items of Article 1 of the Supplementary Provisions; hereinafter the same shall apply in this Article and Article 163 of the Supplementary Provisions), pursuant to the relevant Acts prior to their revision (hereinafter referred to as "Dispositions and Other Acts" in this Article) or applications for licenses or approval, etc. and other acts carried out, prior to the enforcement of this Act, pursuant to the relevant Acts prior to their revision (hereinafter referred to as "Applications and Other Acts" in this Article), if administrative affairs pertaining to these acts come under the jurisdiction of different persons on the date of the enforcement of this Act, these acts, except those prescribed in Article 2 through the preceding Article in the Supplementary Provisions or in the provisions of the respective revised Acts (including orders issued thereunder) concerning transitional measures, shall be deemed, with regard to the application of the respective revised Acts after the date of enforcement of this Act, as Dispositions and Other Acts or Applications and Other Acts carried out pursuant to the relevant provisions of

the relevant revised Acts.

- (2) With respect to matters for which reports, notifications, submissions, or other procedures are to be carried out with agencies of the State or local public entities, prior to the enforcement of this Act, pursuant to the relevant Acts prior to their revision, if these procedures are ongoing as of the date of enforcement of this Act, the provisions of the relevant Acts revised by this Act shall apply to such procedures, except as otherwise provided by this Act or Cabinet Order enacted hereunder, on the assumption that reports, notifications, submissions, or other procedures have not yet been carried out with respect to matters for which such procedures were to be carried out with such agencies of the State or local public entities pursuant to the relevant provisions of said revised Acts.

(Transitional Measures Concerning Appeals)

Article 161 (1) With respect to dispositions pertaining to Affairs of the State, etc. that were made prior to the Date of Enforcement by an administrative agency (hereinafter referred to as the "Administrative Agency Ordering the Disposition" in this Article) that has been subordinated, prior to the Date of Enforcement, to a higher administrative agency as prescribed under the Administrative Appeal Act (hereinafter referred to as the "Higher Administrative Agency" in this Article), the Administrative Appeal Act shall apply to appeals filed against such dispositions pursuant to said Act, on the assumption that the Administrative Agency Ordering the Disposition remains subordinate to the Higher Administrative Agency after the date of enforcement. In this case, the administrative agency deemed to be the Higher Administrative Agency of the Administrative Agency Ordering the Disposition shall be the administrative agency to which the Administrative Agency Ordering the Disposition was subordinated prior to the date of enforcement.

- (2) In the case referred to in the preceding paragraph, where an administrative agency that shall be deemed to be a Higher Administrative Agency is an agency of a local public entity, the affairs to be handled by said agency pursuant to the provisions of the Administrative Appeal Act shall be Item 1 Statutory Entrusted Affairs as prescribed in Article 2, paragraph (9), item (i) of the new Local Autonomy Act.

(Transitional Measures Concerning Fees)

Article 162 With regard to fees payable prior to the Date of Enforcement pursuant to the provisions of the relevant Acts prior to their revision by this Act (including orders issued thereunder), except those otherwise provided by this Act or by Cabinet Order enacted hereunder, the provisions then in force shall remain applicable.

(Transitional Measures Concerning Penal Provisions)

Article 163 With regard to the application of penal provisions to acts committed prior to the enforcement of this Act, the provisions then in force shall remain applicable.

(Delegation of Other Transitional Measures to Cabinet Order)

Article 164 (1) In addition to what is provided in the Supplementary Provisions, any transitional measures necessary for the enforcement of this Act (including transitional measures concerning penal provisions) shall be specified by Cabinet Order.

(2) Any necessary matters concerning the application of the provisions of Article 18, Article 51, or Article 184 of the Supplementary Provisions shall be specified by Cabinet Order.

(Review)

Article 250 The creation of new Item 1 Statutory Entrusted Affairs as prescribed in Article 2, paragraph (9), item (i) of the new Local Autonomy Act shall, be as limited as possible, and such affairs as those listed in Appended Table I of the new Local Autonomy Act and those provided by Cabinet Order enacted under the new Local Autonomy Act shall be examined from the perspective of promoting decentralization and shall be reviewed as appropriate.

Article 251 The government shall, in order to enable local public entities to execute their affairs and services voluntarily and independently, examine how to secure adequate sources of local tax revenue based on the sharing of roles between the State and local public entities, taking into account prevailing economic trends, and shall take necessary measures based on the results of such examination.

Article 252 The government shall, along with various reforms such as medical insurance system and pension system reforms, embark on studies to identify the ideal administrative system and a desirable personnel system for social insurance, from the viewpoint of ensuring convenience for the insured and increasing administrative efficiency, and shall take any measures required based on the study results as it deems necessary.

Supplementary Provisions [Act No. 121 of August 6, 1999] [Extract]

(Effective Date)

Article 1 This Act shall come into force as of July 1, 2000; provided, however,

that the provisions set forth in the following items shall come into force as of the date specified in each item:

- (ii) The provisions of Article 2, Article 14, Article 27, Article 33, Article 44, and Article 52 of the Supplementary Provisions: April 1, 2000;
- (v) The provisions of Article 3 revising Article 28, paragraph (1) of the Explosives Control Act (limited to the part adding, "containing a statement on the organizations and methods used to ensure safety and any other matters specified by Ordinance of the Ministry of Economy, Trade and Industry" before "in order to prevent"); the provisions revising Article 35, paragraph (1) of the same Act (limited to the part changing "(with regard to) ammunition storage" to "(with regard to) ammunition storage and the organizations and methods used to ensure safety at these facilities"); the provisions revising paragraph (2) of the same Article (limited to the part adding "and whether they implement matters specified by Ordinance of the Ministry of International Trade and Industry as those pertaining to the organizations and methods used to ensure safety, among what is specified in the damage prevention rules approved as prescribed in Article 28, paragraph (1)" after "whether (specified facilities and ammunition storage) comply with ..."); and the provisions of Article 5, Article 10, Article 31 through Article 34, Article 45 through Article 50, Article 76, Article 77, and Article 79 of the Supplementary Provisions: April 1, 2001;

(Transitional Measures in Accordance with the Partial Revision of the Electrical Appliance and Material Control Act)

Article 44 A person who intends to obtain approval or authorization pursuant to the provisions of Article 9, paragraph (1) of the Electrical Appliance and Material Safety Act as revised by Article 10 (hereinafter referred to as the "Electrical Appliance and Material Safety Act") may file an application prior to the enforcement of Article 10. The same shall apply to notification of the Rules of Operation pursuant to the provisions of Article 35, paragraph (1) (including the case where it is applied mutatis mutandis pursuant to Article 42-3, paragraph (2) of the Electrical Appliance and Material Safety Act) of the Electrical Appliance and Material Safety Act.

Article 45 (1) With regard to an application for approval of product types as set forth in Article 18 or in Article 23, paragraph (1) of the Electrical Appliance and Material Control Act prior to its revision pursuant to the provisions of Article 10 (hereinafter referred to as the "Old Electrical Appliance and Material Control Act") which was filed prior to the enforcement of said Article, and for which a disposition of approval or non-approval had not been made at the time of enforcement of the relevant provisions, or with regard to an

application for confirmation of product types as set forth in Article 23-2, paragraph (1) of the Old Electrical Appliance and Material Control Act or for authorization for product types as set forth in Article 25-3, paragraph (1) of the Old Electrical Appliance and Material Control Act which was filed prior to the enforcement of Article 10 and for which a disposition of confirmation or authorization had not been made at the time of enforcement of the relevant provisions, the provisions then in force shall remain applicable to the disposition on such application.

(2) With regard to an application for testing as set forth in Article 21, paragraph (1) of the Old Electrical Appliance and Material Control Act (including the case where it is applied mutatis mutandis pursuant to Article 23, paragraph (2) or Article 25-3, paragraph (2) of the Old Electrical Appliance and Material Control Act; the same shall apply in the following paragraph) which was filed prior to the enforcement of Article 10 and for which a disposition of success or failure in passing said testing had not been made at the time of enforcement of the relevant provisions, the provisions then in force shall remain applicable to the disposition on such application.

(3) Where an application for approval for product types pursuant to the provisions of Article 18 or of Article 23, paragraph (1) of the Old Electrical Appliance and Material Control Act or an application for authorization for product types pursuant to the provisions of Article 25-3, paragraph (1) of the Old Electrical Appliance and Material Control Act was filed by a person who had passed the testing set forth in Article 21, paragraph (1) of the Old Electrical Appliance and Material Control Act prior to the enforcement of Article 10, or where such an application was filed by a person who had filed an application for testing for which the provisions then in force are to remain applicable pursuant to the provisions of the preceding paragraph and who had passed said testing, where either of said persons has filed such an application for approval or authorization for such product types by attaching a test certificate therefor within 10 days from the day of having passed said testing, the provisions then in force shall remain applicable to the disposition on such an application.

Article 46 (1) A person who had, prior to the enforcement of Article 10, obtained or applied for approval with regard to Electrical Appliances and Materials as set forth in Article 2, paragraph (1) of the Old Electrical Appliance and Material Control Act which fall under the category of Electrical Appliances and Materials set forth in Article 2, paragraph (1) of the Electrical Appliance and Material Safety Act (hereinafter referred to as "Transferred Electrical Appliances and Materials"), pursuant to the provisions of Article 18 of the Old Electrical Appliance and Material Control Act (including a person who had

applied for approval under paragraph (3) of the preceding Article); a person who has obtained or applied for approval under Article 23, paragraph (1) of the Old Electrical Appliance and Material Control Act (including a person who had applied for approval under paragraph (3) of the preceding Article); or a person who has obtained or applied for confirmation under Article 23-2, paragraph (1) of the Old Electrical Appliance and Material Control Act shall be deemed to have given notification under Article 3 of the Electrical Appliance and Material Safety Act with regard to Transferred Electrical Appliances and Materials for the product type pertaining to said approval, confirmation, or application.

(2) A person who had provided notification under Article 26, paragraph (1) or Article 26-3, paragraph (1) of the Old Electrical Appliance and Material Control Act prior to the enforcement of Article 10 shall be deemed to have given a notification under Article 3 of the Electrical Appliance and Material Safety Act. In this case, with regard to the application of the provisions of Article 8, paragraph (1), Article 10, Article 12, and Article 42-5, item (ii) of the Electrical Appliance and Material Safety Act to such person, the term "the Product Type Specified in the Notification under Article 3 (hereinafter simply referred to as 'the Product Type Specified in the Notification')" in Article 8, paragraph (1) of the Electrical Appliance and Material Safety Act shall be deemed to be replaced with "the product type, which includes Electrical Appliances and Materials with structures specified in the notification under Article 26-2, paragraph (1) or Article 26-3, paragraph (1) of the Electrical Appliance and Material Control Act prior to its revision pursuant to Article 10 of the Act on the Consolidation and Streamlining of Standards and Certification Systems Relating to the Ministry of International Trade and Industry (Act No. 121 of 1999) (such a product type shall be simply referred to as the 'Product Type Including Electrical Appliances and Materials with Structures as Specified in the Notification')", and the term "the Product Type Specified in the Notification" in Article 10, Article 12, and Article 42-5, item (ii) shall be deemed to be replaced with "the Product Type Including Electrical Appliances and Materials with Structures as Specified in the Notification."

Article 47 (1) A person who had, prior to the enforcement of Article 10, obtained approval for the product type under Article 18 or Article 23, paragraph (1) of the Old Electrical Appliance and Material Control Act or who had obtained a confirmation of the product type under Article 18 or Article 23, paragraph (1) of the Old Electrical Appliance and Material Control Act with regard to Class-A Electrical Appliances and Materials as set forth in Article 2, paragraph (2) of the Old Electrical Appliance and Material Control Act, which falls under the category of Specified Electrical Appliances and Materials as set forth in Article 2, paragraph (2) of the Electrical Appliance and Material Safety Act

(hereinafter referred to as "Transferred Specified Electrical Appliances and Materials") (including a person who has obtained approval or confirmation under the provisions of Article 45, paragraph (1) or paragraph (3) of the Supplementary Provisions for which the provisions then in force are to remain applicable pursuant to said provisions) shall be deemed to have performed the obligation under Article 9, paragraph (1) of the Electrical Appliance and Material Safety Act during the period between the day when he/she obtained or was deemed to have obtained said approval or confirmation and the day when the period specified by Cabinet Order set forth in Article 24, paragraph (1) of the Old Electrical Appliance and Material Control Act, in the case where he/she manufactured or imported Specified Electrical Appliances and Materials with a product type pertaining to said approval or confirmation.

(2) With regard to the display and sales of Specified Transferred Electrical Appliances and Materials pertaining to authorization for product types under Article 25-3, paragraph (1) of the Old Electrical Appliance and Material Control Act that had already been obtained at the time of the enforcement of Article 10 (including authorization for product types that was obtained by deeming that the provisions then in force remained applicable pursuant to the provisions of Article 45, paragraph (1) or paragraph (3) of the Supplementary Provisions), the provisions then in force shall remain applicable until either the day when the period specified by Cabinet Order set forth in Article 50, paragraph (2) of the Supplementary Provisions pertaining to said Specified Transferred Electrical Appliances and Materials elapses from the day of enforcement of Article 10, or the day when the period specified by Cabinet Order set forth in Article 24, paragraph (1) of the Old Electrical Appliance and Material Control Act as applied *mutatis mutandis* pursuant to Article 25-3, paragraph (2) of the Old Electrical Appliance and Material Control Act elapses from the day of said authorization, whichever is earlier, notwithstanding the provisions of Article 10, paragraph (2), Article 27, paragraph (1), and Article 28 of the Electrical Appliance and Material Safety Act.

Article 48 (1) A person who had obtained a designation under Article 21, paragraph (1) of the Old Electrical Appliance and Material Control Act at the time of the enforcement of Article 10 shall be deemed to have obtained approval under Article 9, paragraph (1) of the Electrical Appliance and Material Safety Act until the day when six months have elapsed from the day of enforcement of Article 10. In the event that said person filed an application for approval under the same paragraph during said period, the same shall also apply during the period until a disposition pertaining to said application has been made.

(2) Pursuant to the provisions of the preceding paragraph, a notification made

under Article 33 of the Old Electrical Appliance and Material Control Act with regard to a person who is deemed to have obtained approval under Article 9, paragraph (1) of the Electrical Appliance and Material Safety Act shall be deemed to be a notification made under Article 34 of the Electrical Appliance and Material Safety Act; the Rules of Operation for which approval under Article 34 of the Old Electrical Appliance and Material Control Act has been obtained or applied for shall be deemed to be the Rules of Operation in a notification made under Article 35, paragraph (1) of the Electrical Appliance and Material Safety Act; a suspension or cessation of business for which approval under Article 35 of the Old Electrical Appliance and Material Control Act has been obtained or applied for shall be deemed to be a suspension or cessation in a notification made under Article 36 of the Electrical Appliance and Material Safety Act; and an order given under Article 40 of the Old Electrical Appliance and Material Control Act shall be deemed to be an order given under Article 41 of the Electrical Appliance and Material Safety Act.

Article 49 With regard to Transferred Specified Electrical Appliances and Materials pertaining to a product type for which approval under Article 18 or Article 23, paragraph (1) of the Old Electrical Appliance and Material Control Act or confirmation under Article 23-2, paragraph (1) of the Old Electrical Appliance and Material Control Act had been obtained at the time of enforcement of Article 10, or with regard to Class-B Electrical Appliances and Materials as set forth in Article 2, paragraph (2) of the Old Electrical Appliance and Material Control Act with structures pertaining to a notification under Article 26-2, paragraph (1) or Article 26-3, paragraph (1) of the Old Electrical Appliance and Material Control Act which fall into the category of Electrical Appliances and Materials set forth in Article 2, paragraph (1) of the Electrical Appliance and Material Safety Act, labeling under Article 25, paragraph (1) or Article 26-6, paragraph (1) may be affixed during the one year from the day of enforcement of Article 10 (with regard to those specified by Cabinet Order as Transferred Electrical Appliances and Materials that require a considerable period of time for the repair or alteration of manufacturing equipment accompanied with the change of labeling, the period specified by Cabinet Order for the relevant Transferred Electrical Appliances and Materials within a limit not exceeding three years from the day of the enforcement of Article 10), notwithstanding the provisions of Article 10, paragraph (2) of the Electrical Appliance and Material Safety Act.

Article 50 (1) Labeling affixed to Transferred Electrical Appliances and Materials under Article 25, paragraph (1) or Article 26-6, paragraph (1) of the Old Electrical Appliance and Material Control Act and labeling under the

provisions of the preceding Article shall be deemed to be labeling affixed under Article 10, paragraph (1) of the Electrical Appliance and Material Safety Act until the day specified by Cabinet Order for the relevant Transferred Electrical Appliances and Materials within a limit not exceeding five years (10 years with regard to those specified by Cabinet Order as Transferred Electrical Appliances and Materials that require a considerable period of time from manufacturing to sales) from the day of enforcement of Article 10.

(2) In addition to the case where the provisions then in force remain applicable pursuant to the provisions of Article 47, paragraph (2) of the Supplementary Provisions, with regard to Transferred Electrical Appliances and Materials with labeling affixed under Article 25-4, paragraph (1) of the Old Electrical Appliance and Material Control Act, the provisions then in force shall remain applicable until the day specified by Cabinet Order for the relevant Transferred Electrical Appliances and Materials within a limit not exceeding five years (10 years with regard to those specified by Cabinet Order as Transferred Electrical Appliances and Materials that require a considerable period of time from manufacturing to sales) from the day of the enforcement of Article 10, notwithstanding the provisions of Article 10, paragraph (2), Article 27, paragraph (1), and Article 28 of the Electrical Appliance and Material Safety Act.

Article 51 A public hearing for the enactment of a Cabinet Order under Article 2, paragraph (2) of the Electrical Appliance and Material Safety Act may be held prior to the enforcement of Article 10.

(Effectiveness of Dispositions, etc.)

Article 68 Any dispositions, proceedings, or other acts carried out, prior to the enforcement of this Act (or the relevant provisions listed in the items of Article 1 of the Supplementary Provisions), pursuant to the provisions of the relevant Acts prior to their revision (including orders issued thereunder; hereinafter the same shall apply in this Article) shall, if the relevant revised Acts contain provisions corresponding to such provisions, be deemed to have been carried out under the relevant provisions of said revised Acts, except as otherwise provided in the Supplementary Provisions.

(Transitional Measures Concerning the Application of Penal Provisions)

Article 69 With regard to the application of penal provisions to any acts committed prior to the enforcement of this Act (or the relevant provisions of the items of Article 1 of the Supplementary Provisions) (or with respect to the Consumer Product Safety Association, prior to the expiration of the provisions of the old Consumer Product Safety Act that had been deemed to remain in

force pursuant to the provisions of Article 10 of the Supplementary Provisions; with respect to the High Pressure Gas Safety Institute of Japan, prior to the expiration of the provisions of the old High Pressure Gas Safety Act that had been deemed to remain in force pursuant to the provisions of Article 30 of the Supplementary Provisions) as well as any acts committed after the enforcement of this Act in the cases where the provisions then in force remain applicable pursuant to the Supplementary Provisions, the provisions then in force shall remain applicable.

(Delegation of Other Transitional Measures to Cabinet Order)

Article 70 In addition to what is provided in Article 2 through Article 9 and in Article 14 through the preceding Article of the Supplementary Provisions, any other transitional measures necessary for the enforcement of this Act (including transitional measures concerning penal provisions) shall be specified by Cabinet Order.
