development of new business, the starting of new business or withdrawal from unprofitable business through corporate restructuring, corporate rehabilitation, capital investment, etc. with the aim of improving productivity or expanding demand, while promoting management reforms in response to fluctuations in the state of the economy, with the State's support measures for businesses and initiatives to review regulations or otherwise develop business environments necessary for promoting their efforts.

(Responsibilities of the State)

Article 4 The State is responsible for reviewing regulations or otherwise developing business environments and taking support measures for businesses so as to ensure proactive business activities, such as the development of new business, the starting of new business or withdrawal from unprofitable business through corporate restructuring, corporate rehabilitation, capital investment, etc., pursuant to the basic principles prescribed in the preceding Article.

(Responsibilities of Businesses)

Article 5 Each business must make efforts, pursuant to the basic principles prescribed in Article 3, to actively carry out business activities, such as the development of new business, the starting of new business or withdrawal from unprofitable business through corporate restructuring, corporate rehabilitation, capital investment, etc. with the aim of improving productivity or expanding demand, while promoting management reforms in light of the supply and demand trends of goods or services or the state of competition among businesses in the relevant field of business to which the business belongs, or other environments surrounding its business.

Chapter II Preparation of Special Measures on Regulations on New Business Activities and the Facilitation of Regulatory Reform

(Request for New Special Measures on Regulations)

Article 6 (1) A person that intends to start new business activities by receiving the application of new special measures on regulations may request the competent minister to prepare the new special measures on regulations, as prescribed by orders of the competent ministries.

(2) If the competent minister receiving a request under the preceding paragraph finds it necessary to take new special measures on regulations based on the request, and the new special measures on regulations thus requested are those for regulations specified by any Acts, Cabinet Orders, or orders of the competent ministries which are under that minister's jurisdiction, that

minister is to give notice to the requester to that effect and give the details of the new special measures on regulations to be taken, and is to publicize the details of the new special measures on regulations to be taken, without delay.

- (3) If the competent minister receiving a request under paragraph (1) finds it necessary to take new special measures on regulations based on the request, and the new special measures on regulations thus requested are related to any Acts , Cabinet Orders, or orders of the competent ministries which are under the jurisdiction of the head of another relevant administrative organ (or, under the jurisdiction that other relevant administrative organ, if that other relevant administrative organ is a council; the same applies hereinafter), the minister is to request the head of that other relevant administrative organ to prepare new special measures on regulations, and is to give notice to that effect to the requester, without delay.
- (4) If the competent minister has received a request under paragraph (1) and finds it unnecessary to take new special measures on regulations based on the request, that minister are to give notice to that effect and give the reason therefor to the requester, without delay.
- (5) If the head of the relevant administrative organ has received a request under paragraph (3) and has decided to take new special measures on regulations based on the request, the head is to give notice to that effect and give the details of the new special measures on regulations to be taken to the relevant competent minister who has made the request, and is to publicize the details of the new special measures on regulations to be taken, without delay.
- (6) If the head of the relevant administrative organ has received a request under paragraph (3) and has decided not to take any new special measures on regulations based on the request, the head is to give notice to that effect and give the reason therefor to the relevant competent minister who has made the request, without delay.
- (7) If the competent minister has received notice under the preceding two paragraphs, the minister is to give notice concerning the details of the relevant notice to the person who filed a request under paragraph (1), without delay.

(Confirmation Regarding Interpretation and Application)

Article 7 (1) A person that intends to start new business activities may ask for confirmation from the competent minister regarding the interpretation of provisions of Acts and orders based on Acts (including public notices; hereinafter the same applies in this Article and Article 14) that provide for regulations on the new business activities and business activities related thereto and the applicability of those provisions to the new business activities and related business activities, as prescribed by orders of the competent ministries.

- (2) If the competent minister has been asked for the confirmation under the preceding paragraph, and the confirmation regarding the interpretation and the applicability of provisions is related to Acts and orders based on Acts under the competent minister's jurisdictions, the minister is to give a response to the requester with the reason therefor and publicize the details of the response, without delay.
- (3) If the competent minister has been asked for the confirmation under paragraph (1), and the confirmation regarding the interpretation and the applicability of provisions is related to Acts and orders based on Acts under the jurisdiction of the head of another relevant administrative organ, the minister is to ask for the confirmation from the head of the other relevant administrative organ without delay. In this case, the head of the other relevant administrative organ who has been asked for the confirmation is to give a response to the competent ministers with the reason therefor and publicize the details of the response, without delay.
- (4) If the competent minister has received a response under the preceding paragraph, the minister is to give notice concerning the details of the response to the person that asked for the confirmation under paragraph (1) regarding the response, without delay.

(Provision of Information)

Article 8 The competent minister is to provide necessary information and advice in response to consultations from a person that intends to make a request under Article 6, paragraph (1) or paragraph (1) of the preceding Article.

(Approval for Plans for New Business Activities)

Article 9 (1) A person that intends to start new business activities may prepare a plan for those activities (hereinafter referred to as a "plan for new business activities" in this Article, the following Article, and Article 149), and submit it to the competent ministers to seek the approval therefor, as prescribed by orders of the competent ministries.

- (2) If two or more persons intend to coordinate in starting new business activities, those two or more persons may coordinate in preparing a plan for new business activities to seek the approval therefor as set forth in the preceding paragraph.
- (3) A plan for new business activities must contain the following:
 - (i) the goal of the new business activities;
 - (ii) the details of the new business activities and their implementation period;
 - (iii) the amount of funds necessary for carrying out the new business activities and how to raise them;
 - (iv) if that person (those persons) intends to receive the application of the special measures on regulations prescribed by Cabinet Orders or orders of

- the competent ministries under Article 11, the details of the special measures on those regulations; and
- (v) other particulars necessary for carrying out the new business activities.
- (4) If the competent minister has received an application for approval as set forth in paragraph (1) and finds that the plan for new business activities conforms to both of the following items, the minister is to approve the plan:
- (i) the new business activities under the relevant plan are expected to be carried out smoothly and reliably; and
- (ii) the details of the relevant plan do not violate this Act, orders based on this Act, or other relevant laws and regulations.
- (5) If the plan for new business activities contains the particulars set forth in paragraph (3), item (iv) (limited to the particulars regarding the special measures on regulations prescribed by Cabinet Order or orders of the competent ministries under Article 11 under the jurisdiction of the head of another relevant administrative organ) and the competent minister intends to grant approval as set forth in paragraph (1), the minister is to obtain the consent of the head of the other relevant administrative organ with respect to the particulars set forth in the same item. In this case, if those particulars are found to be in conformity with what is provided for by the Cabinet Orders or orders of the competent ministries, the head of the relevant administrative organ is to give consent.
- (6) If the competent minister has granted approval as set forth in paragraph (1), the minister is to publicize the details of the plan for new business activities subject to the approval, as prescribed by orders of the competent ministries.

(Changes to Plans for New Business Activities)

- Article 10 (1) If a person that has obtained approval as set forth in paragraph (1) of the preceding Article (hereinafter referred to as an "approved implementer of new business activities") intends to make changes to the plan for new business activities regarding the approval, the person must seek the approval of the competent ministers, as prescribed by orders of the competent ministries.
- (2) If the competent minister finds that an approved implementer of new business activities is not carrying out new business activities in accordance with the plan for new business activities regarding the approval (or, the plan after changes under the preceding paragraph, if an approval has been granted for those changes; hereinafter referred to as an "approved plan for new business activities"), the ministers may rescind the approval.
- (3) If the competent minister finds that an approved plan for new business activities no longer conforms to either of the items of paragraph (4) of the preceding Article, the minister may direct the approved implementer of new business activities to make changes to the approved plan for new business

activities or may rescind the approval.

(4) The provisions of paragraphs (4) through (6) of the preceding Article apply mutatis mutandis to the approval set forth in paragraph (1).

(Special Measures on Regulations Prescribed by Cabinet Order or Ministerial Order)

Article 11 Special measures on regulations apply to new business activities carried out by approved implementers of new business activities in accordance with approved plans for new business activities, as prescribed by Cabinet Order for the new business activities in relation to regulations prescribed by Cabinet Order and as prescribed by orders of the competent ministries for the new business activities in relation to regulations prescribed by orders of the competent ministries.

(Business Operations to Facilitate New Business Activities, Which Are Undertaken by the Organization for Small & Medium Enterprises and Regional Innovation)

Article 12 For the purpose of facilitating new business activities, the Organization for Small & Medium Enterprises and Regional Innovation undertakes business operations to guarantee bonds (excluding short term corporate bonds prescribed in Article 66, item (i) of the Act on Book-Entry Transfer of Company Bonds, Shares, etc. (Act No. 75 of 2001); the same applies in Article 36 and Article 101, paragraph (1), item (vi)) issued by approved implementers of new business activities in order to raise funds necessary for carrying out new business activities in accordance with the approved plan for new business activities, and to guarantee debt obligations regarding the borrowing of the funds.

(Review of Special Measures on Regulations)

Article 13 Based on the report set forth in Article 144, paragraph (1) and paragraph (2), the competent minister set forth in Article 6, paragraph (2) and the head of the relevant administrative organ set forth in paragraph (3) of the same Article are to review the special measures on regulations regarding the report or otherwise take necessary measures if they find it necessary to do so.

(Promotion of Regulatory Reforms)

(2) In the cases set forth in the preceding paragraph, the articles of incorporation of a stock company that is an approved business (limited to a stock company that has provisions concerning the articles of incorporation under Article 459, paragraph (1) of the Companies Act) are to be deemed to have provisions to the effect that the board of directors may decide the matters set forth in the items of Article 454, paragraph (1) of the same Act and the items of paragraph (4) of the same Article regarding specified dividends of surplus.

(Demands for Objections by Creditors in Cases of the Transfer of Business)

Article 34 (1) If a resolution at the shareholders meeting or the board of directors or a decision by executive officers has been made with respect to the transfer of all or part of business to be undertaken in accordance with an approved plan, a business which is a stock company (hereinafter simply referred to as a "company" in this paragraph and paragraph (4)) may give a separate notice to each of its specified creditors (meaning, from among persons holding claims against the company, those who will hold claims against persons taking over all or part of the business and will not hold the claims against the company as a result of the transfer of all or part of the business; hereinafter the same applies in this Article), within two weeks from the date of the resolution or decision, explaining the outline of the transfer of all or part of the business, and may require them to state any objections to the transfer of all or part of the business, if any, within a fixed period of time.

- (2) The period set forth in the preceding paragraph must not be less than one month.
- (3) If a specified creditor that has received a notice as prescribed in paragraph (1) has stated no objection within the period set forth in the same paragraph, the specified creditor is deemed to have approved the transfer of all or part of the business.
- (4) If a specified creditor has stated an objection within the period set forth in paragraph (1), the company must make a payment to the specified creditor, or must provide the reasonable security to the specified creditor or entrust

appropriate assets to a trust company or financial institution engaged in a trust business with the aim of having the specified creditor receive repayment; provided, however, that this does not apply to cases in which there is no risk of damage to the specified creditor even if the transfer of all or part of the business takes place.

(Special Provisions for the Limited Partnership Act for Investment)

Article 35 (1) Each of the partners of a limited investment partnership may pledge to operate a coordinated business to acquire and hold shares, share options or designated securities (meaning the designated securities prescribed in Article 3, paragraph (1), item (iii) of the Limited Partnership Act for Investment) issued by, or equity in, a foreign corporation, or their equivalent in a foreign corporation, which pertain to a related foreign corporation (limited to a related foreign corporation, if a plan concerning measures to be taken by the related foreign corporation is included in the approved plan), for the purpose of facilitating corporate restructuring, under the terms of the partnership agreement set forth in the same paragraph, in addition to the business activities set forth in the items of the same paragraph.

(2) With respect to the application of the provisions of Article 7, paragraph (4) of the Limited Partnership Act for Investment regarding partners of a limited investment partnership who have pledged to operate a business prescribed in the preceding paragraph, the phrase "acts other than the business activities listed in Article 3, paragraph (1)" in Article 7, paragraph (4) of the same Act is deemed to be replaced with "acts other than the business activities set forth in Article 3, paragraph (1) or the business activities prescribed in Article 35, paragraph (1) of the Act on Strengthening Industrial Competitiveness (Act No. 98 of 2013)"; and the phrase "a business other than those set forth in the same paragraph" in Article 7, paragraph (4) of the Limited Partnership Act for Investment is deemed to be replaced with "acts other than the business activities set forth in Article 3, paragraph (1) or the business activities prescribed in Article 35, paragraph (1) of the same Act".

(Business Operations to Facilitate Corporate Restructuring, Which Are Undertaken by the Organization for Small & Medium Enterprises and Regional Innovation)

Article 36 For the purpose of facilitating corporate restructuring, the Organization for Small & Medium Enterprises and Regional Innovation is to undertake business operations to guarantee bonds issued by persons as set forth in the following items in order to raise funds as specified therein, and to guarantee debt obligations regarding the borrowing of the funds:

(i) an approved business implementing corporate restructuring or its related

businesses (hereinafter referred to as an "approved business implementing corporate restructuring, etc."): funds necessary for taking measures for corporate restructuring in accordance with an approved corporate restructuring plan; and

Article 47, paragraph (1) of the Supplementary Provisions	business operations of the JFC	business operations of the JFC (excluding the business operations to facilitate corporate restructuring prescribed in Article 37, paragraph (1) of the Act on Strengthening Industrial Competitiveness)
---	--------------------------------	---

(Policies for Undertaking Business Operations to Facilitate Corporate Restructuring Promotion)

Article 38 (1) In line with the implementation guidelines (limited to the particulars set forth in Article 22, paragraph (2), item (vii); the same applies in paragraph (1), item (ii) and paragraph (2) of the following Article), the JFC must specify the methods and conditions for business operations to facilitate corporate restructuring promotion and other policies for undertaking those operations (hereinafter referred to as "policies for undertaking business operations to facilitate corporate restructuring promotion"), as prescribed by orders of the competent ministries.

- (2) If the JFC intends to specify policies for undertaking business operations to facilitate corporate restructuring promotion, it must obtain the authorization of the competent minister. This also applies if the JFC intends to make changes to those policies.
- (3) If the JFC has obtained the authorization of the competent minister set forth in the preceding paragraph, it must publicize the policies for undertaking business operations to facilitate corporate restructuring promotion without delay.
- (4) The JFC must undertake business operations to facilitate corporate restructuring promotion in accordance with the policies for undertaking business operations to facilitate corporate restructuring promotion.

(Designation as Designated Financial Institutions)

Article 39 (1) With respect to business operations to offer loans for funds necessary for approved corporate restructuring-related measures taken by an approved business implementing corporate restructuring, etc. in accordance with an approved corporate restructuring plan or for approved special corporate restructuring-related measures taken by an approved business implementing special corporate restructuring, etc. in accordance with an approved special corporate restructuring plan, which are to be undertaken by way of borrowing funds necessary for offering those loans from the JFC (hereinafter referred to as "business operations to promote corporate restructuring"), the competent minister may designate those that are found to

conform to all of the following items as designated financial institutions, upon application from them, as prescribed by orders of the competent ministries:

- (i) they fall under the category of a bank or other financial institutions specified by Cabinet Order;
 - (ii) their business regulations prescribed in the following paragraph are in conformity with laws and regulations, the implementation guidelines, and the policies for undertaking business operations to facilitate corporate restructuring promotion, and are sufficient for undertaking business operations to promote corporate restructuring properly and reliably; and
 - (iii) in light of the personnel structure, they have the knowledge and experience for undertaking business operations to promote corporate restructuring properly and reliably.
- (2) A person intending to receive designation under the preceding paragraph (hereinafter simply referred to as "designation" in this Section) must specify the regulations concerning business operations to promote corporate restructuring promotion (referred to as the "business regulations" in the following paragraph and Article 41), in line with the implementation guidelines, and the policies for undertaking business operations to facilitate corporate restructuring promotion, in accordance with the procedures specified by orders of the competent ministries, and submit it to the competent minister together with a written application for designation.
- (3) The business regulations must specify particulars concerning the implementation framework and methods for business operations to promote corporate restructuring and other particulars specified by orders of the competent ministries.
- (4) Those falling under any of the following items may not receive designation:
- (i) a person that violated this Act, the Banking Act, or any other Acts specified by Cabinet Order, an order based on these Acts, or a disposition based on these, and was sentenced to a punishment heavier than a fine, if five years have not yet elapsed since the day on which the execution of the sentence was completed or since the day on which the person ceased to be subject to execution of the sentence;
 - (ii) a person whose designation was rescinded pursuant to the provisions of Article 46, paragraph (1) or paragraph (2), if five years have not yet elapsed since the day of the rescission; or
 - (iii) a corporation, any of whose officers in charge of its business fall under either of the following:
 - (a) an adult ward, a person under curatorship, or a person who has become subject to an order for bankruptcy proceedings and whose civil rights have not been restored; or
 - (b) in cases in which a designated financial institution has had its

designation rescinded pursuant to the provisions of Article 46, paragraph (1) or paragraph (2), a person who had been an officer of the designated financial institution within at least 60 days before the day on which a public notice was issued concerning the date and place of hearing regarding the rescission of the designation, if five years have not yet elapsed since the day of the rescission.

(Public Notice of a Designation)

Article 40 (1) If the competent minister has made a designation, the minister is to issue a public notice concerning the trade name or name, and the address of the designated financial institution, as well as the location of its business office or office where it undertakes business operations to promote corporate restructuring.

(2) If a designated financial institution intends to change its trade name or name, its address, or the location of its business office or office where it undertakes business operations to promote corporate restructuring, it must notify the competent minister of that fact in advance.

(3) If the competent minister has received a notification under the preceding paragraph, the minister is to issue a public notice of that fact.

(Authorization for Changes to Business Regulations)

Article 41 (1) If a designated financial institution intends to change the business regulations, it must obtain the authorization of the competent minister.

(2) If the competent minister finds that the business regulations of a designated financial institution are no longer appropriate for the proper and reliable undertaking of business operations to promote corporate restructuring, the minister may order the institution to change its business regulations.

(Agreement)

Article 42 (1) The JFC is to conclude an agreement containing the following particulars with a designated financial institution, with respect to business operations to facilitate corporate restructuring promotion, and undertake its business operations in accordance with the agreement:

(i) particulars concerning the standards for conditions for loans for the designated financial institution's business operations to promote corporate restructuring;

(ii) a requirement for the designated financial institution to prepare a report on its financial situation and on the state of undertaking its business operations to promote corporate restructuring, and for that designated financial institution to submit it to the JFC; and

(iii) the details and methods for the designated financial institution's business

operations to promote corporate restructuring and the JFC's business operations to facilitate corporate restructuring promotion, and other particulars specified by orders of the competent ministries, beyond what is provided for in the preceding two items.

- (2) If the JFC intends to conclude an agreement as set forth in the preceding paragraph, it must obtain the authorization of the competent ministers. This also applies if the JFC intends to make changes to the agreement.

(Bookkeeping)

Article 43 Designated financial institutions must keep books with respect to business operations to promote corporate restructuring, record the matters specified by orders of the competent ministries, and preserve them, as prescribed by orders of the competent ministries.

(Supervision Orders)

Article 44 If the competent ministers find it necessary for the enforcement of this Act, the ministers may issue orders necessary for supervision with respect to business operations to promote corporate restructuring to a designated financial institution.

(Suspension or Discontinuation of Business Operations)

Article 45 (1) If a designated financial institution intends to suspend or discontinue all or part of the business operations to promote corporate restructuring, it must notify the competent minister of that fact in advance, as prescribed by orders of the competent ministries.

- (2) If the competent minister has received a notification under the preceding paragraph, the minister is to issue a public notice of that fact.
- (3) If a designated financial institution has discontinued all of the business operations to promote corporate restructuring, the designation as the designated financial institution ceases to be effective.

(Rescission of Designations)

Article 46 (1) If a designated financial institution has come to fall under any of the items (excluding item (ii)) of Article 39, paragraph (4), the competent minister is to rescind the designation as the designated financial institution.

(2) If a designated financial institution falls under any of the following items, the competent minister may rescind the designation as the designated financial institution:

- (i) if the designated financial institution is found to be incapable of undertaking business operations to promote corporate restructuring properly and reliably;

- (ii) if there has been a wrongful act relating to the designation; or
 - (iii) if the designated financial institution has violated this Act or an order or disposition based on this Act.
- (3) If the competent minister has rescinded a designation pursuant to the provisions of the preceding two paragraphs, the minister is to issue a public notice of that fact.

(Completion of Business Operations due to Rescission of Designation)

Article 47 If designation as a designated financial institution has ceased to be effective pursuant to the provisions of Article 45, paragraph (3) or has been rescinded pursuant to the provisions of paragraph (1) or paragraph (2) of the preceding Article, a person that was the designated financial institution or its general successor is deemed to be the designated financial institution within the context of its purpose of completing transactions based on the agreement on the designated financial institution's business operations to promote corporate restructuring undertaken.

(Investigations)

Article 48 If the government finds it necessary for facilitating corporate restructuring by businesses, it is to conduct the following investigations and publicize the results thereof:

- (i) investigations on the supply and demand trends of goods or services, whether each field of business is in a state of structural oversupply, or other particulars concerning market structures; and
- (ii) investigations on coordinated utilization of management resources (meaning the coordinated development of facilities or equipment for R&D activities, the coordinated building of an information system, or the combining of other management resources effectively among businesses) in and outside Japan.

Section 3 Facilitation of Corporate Rehabilitation

(Approval for Certified Dispute Resolution Businesses)

Article 49 (1) Certified dispute resolution businesses that have specified the scope of disputes set forth in Article 6, item (i) of the Act on Promotion of Use of Alternative Dispute Resolution, while including disputes regarding corporate rehabilitation within that scope, may obtain the approval of the Minister of Economy, Trade and Industry with respect to the fact that they conform to both of the following items, as prescribed by Order of the Ministry of Economy, Trade and Industry:

(2) If a person that files a request for examination regarding its own patent application for an invention prescribed in the preceding paragraph is a person that falls under the requirements prescribed in the same paragraph, the Commissioner of the Japan Patent Office may grant the person a reduction of or exemption from payment of the fees that are to be paid for a request for examination of the application pursuant to the provisions of Article 195, paragraph (2) of the Patent Act, as prescribed by Cabinet Order.

(3) If a person that files an international application (meaning the international application prescribed in Article 2 of the Act on International Applications under the Patent Cooperation Treaty (Act No. 30 of 1978)) in Japanese regarding an invention prescribed in paragraph (1) is a person that falls under the requirements prescribed in the same paragraph, the Commissioner of the Japan Patent Office may grant the person a reduction of or exemption from the payment of the fees that are to be paid pursuant to the provisions of Article 18, paragraph (2) (excluding the portion set forth in row (ii) of the table of the same paragraph) of the same Act (limited to the fees for the portion regarding the amount specified by Cabinet Order set forth in the same paragraph within the amount set forth in column 3 of the same table as prescribed in the same paragraph), as prescribed by Cabinet Order.

Section 5 Promotion of Security Measures of Companies to Prevent Technological Information from Being Compromised

Article 67 (1) The competent minister is to establish the guidelines for promoting the implementation of security measures of companies to prevent technological information from being compromised (hereinafter referred to as the "promotion guidelines").

(2) The promotion guidelines are to specify the following:

(i) the basic direction for promoting the implementation of security measures of

- companies to prevent technological information from being compromised;
- (ii) basic particulars concerning the following policies for promoting the implementation of security measures of companies to prevent technological information from being compromised:
 - (a) policies for deepening understanding on the implementation of security measures of companies to prevent technological information from being compromised;
 - (b) policies for enhancing the knowledge and capacity necessary for appropriately implementing security measures of companies to prevent technological information from being compromised; and
 - (c) other policies necessary for promoting the implementation of security measures of companies to prevent technological information from being compromised;
 - (iii) particulars to be the criteria for approval set forth in paragraph (1) of the following Article with respect to the methods for undertaking business operations to certify security measures of companies to prevent technological information from being compromised;
 - (iv) particulars to be taken into consideration concerning the promotion of the implementation of security measures of companies to prevent technological information from being compromised by small and medium-sized enterprises; and
 - (v) fields of technology in which the implementation of security measures of companies to prevent technological information from being compromised is to be promoted in particular, if those fields of technology are to be specified.
- (3) If the competent minister has established the promotion guidelines or has made changes thereto, the minister is to publicize the established or changed promotion guidelines without delay.

(Approval as Approved Entities Certifying Security Measures of Companies to Prevent Technological Information from Being Compromised)

- Article 68 (1) A person that undertakes business operations to certify security measures of companies to prevent technological information from being compromised may seek approval of the competent minister.
- (2) A person that intends to seek the approval set forth in the preceding paragraph must submit a written application containing the following and other documents specified by orders of the competent ministries to the competent minister:
- (i) the name and address of the person, and in the case of a corporation, the name of its representative; and
 - (ii) the scope of business operations to certify security measures of companies to prevent technological information from being compromised (or, the fact

that the person seeks approval by limiting the scope to the business operations only targeting small and medium-sized enterprises, if that is the case) and the methods for undertaking them.

- (3) If the competent minister has received an application for approval as set forth in paragraph (1) and finds that the methods for undertaking business operations to certify security measures of companies to prevent technological information from being compromised in relation to the application conform to the criteria prescribed in paragraph (2), item (iii) of the preceding Article that are established in the promotion guidelines, the minister is to grant approval.
- (4) Those falling under any of the following items may not obtain the approval set forth in paragraph (1):
- (i) a person that has been sentenced to a punishment heavier than a fine for a violation of the provisions of this Act, if two years have not yet elapsed since the day on which the execution of the sentence has been completed or since the day on which the person ceased to be subject to execution of the sentence;
 - (ii) a person for whom the approval set forth in paragraph (1) has been rescinded pursuant to the provisions of Article 75, paragraph (1), if two years have not yet elapsed since the day of the rescission; or
 - (iii) a corporation, any of whose officers in charge of its business fall under either of the preceding two items.
- (5) If the competent minister has granted approval as set forth in paragraph (1), the minister is to publicize the name, address, scope of business operations, and other particulars specified by orders of the competent ministries.

(Renewal of the Approval as Approved Entities Certifying Security Measures of Companies to Prevent Technological Information from Being Compromised)

- Article 69 (1) Unless the approval set forth in paragraph (1) of the preceding Article is renewed for each period as specified by Cabinet Order within three years, the relevant approval ceases to be effective upon the lapse of that period.
- (2) The provisions of paragraph (2), paragraph (3), and paragraph (4) (excluding item (ii)) of the preceding Article apply mutatis mutandis to the renewal of the approval set forth in the preceding paragraph.
- (3) If the approval set forth in paragraph (1) of the preceding Article has ceased to be effective pursuant to the provisions of paragraph (1), the competent minister is to publicize that fact.

(Succession of Approved Entities Certifying Security Measures of Companies to Prevent Technological Information from Being Compromised)

- Article 70 (1) If a person who has obtained approval as set forth in Article 68, paragraph (1) (hereinafter referred to as an "approved entity certifying security measures of companies to prevent technological information from

being compromised") has transferred the entirety of its business to undertake security measures of companies to prevent technological information from being compromised regarding the approval or when there has been inheritance, merger or split (limited to the inheritance, merger or split to cause succession of the entirety of the business to undertake business operations to certify security measures of companies to prevent technological information from being compromised regarding the approval) with respect to an approved entity certifying security measures of companies to prevent technological information from being compromised, the person who has received the entirety of the relevant business through transfer or; the heir (or, the single heir selected to relevant business with the consent of all the heirs, if there are two or more heirs and that single heir is thus selected; hereinafter the same applies in this paragraph); the corporation surviving the merger or corporation established through the merger; or the corporation that has succeeded to the entirety of the relevant business through the split succeeds to the status of the approved entity certifying security measures of companies to prevent technological information from being compromised; provided, however, that this does not apply if the person that has received the entirety of the relevant business through transfer or, the heir, the corporation surviving the merger or corporation established through the merger, or the corporation that has succeeded to the entirety of the relevant business through the split falls under any of the items of paragraph (4) of the same Article.

- (2) A person that has succeeded to the status of an approved entity certifying security measures of companies to prevent technological information from being compromised pursuant to the provisions of the preceding paragraph must notify the competent minister of that fact without delay, as prescribed by orders of the competent ministries.
- (3) If the competent minister has received a notification under the preceding paragraph, the minister is to publicize that fact.

(Approval for Changes in Approved Entities Certifying Security Measures of Companies to Prevent Technological Information from Being Compromised)
Article 71 (1) If an approved entity certifying security measures of companies to prevent technological information from being compromised intends to make changes to the particulars set forth in Article 68, paragraph (2), item (ii), the entity must seek the approval of the competent minister; provided, however, that this does not apply to minor changes specified by orders of the competent ministries.

- (2) The provisions of Article 68, paragraph (2), paragraph (3), and paragraph (4) (excluding item (ii)) apply mutatis mutandis to the approval for changes set forth in the preceding paragraph. In this case, the phrase "the following

particulars" in paragraph (2) of the same Article is deemed to be replaced with "the following particulars (for the particulars set forth in item (ii), limited to those regarding the changes)".

- (3) If there have been any changes to the particulars set forth in Article 68, paragraph (2), item (i), or an approved entity certifying security measures of companies to prevent technological information from being compromised has made minor changes specified by orders of the competent ministries set forth in the proviso to paragraph (1), the entity must notify the competent minister of that fact without delay.
- (4) If the competent minister has granted approval for changes as set forth in paragraph (1) or has received a notification under the preceding paragraph, the minister is to publicize that fact.

(Obligation of Confidentiality by Approved Entities Certifying Security Measures of Companies to Prevent Technological Information from Being Compromised)

Article 72 Officers or employees of an approved entity certifying security measures of companies to prevent technological information from being compromised, or persons who were once employed as such, must not divulge or misappropriate any confidential information that has come to their knowledge regarding business operations to certify security measures of companies to prevent technological information from being compromised, except if reasonable grounds exist.

(Orders for Improvement to Approved Entities Certifying Security Measures of Companies to Prevent Technological Information from Being Compromised)

Article 73 If the competent minister determines that improvements are necessary with respect to management of business operations to certify security measures of companies to prevent technological information from being compromised, which are undertaken by an approved entity certifying security measures of companies to prevent technological information from being compromised, the minister may order the relevant entity to take measures necessary for those improvements.

(Notification of Discontinuation of Business Operations to Certify Security Measures of Companies to Prevent Technological Information from Being Compromised)

Article 74 (1) If an approved entity certifying security measures of companies to prevent technological information from being compromised intends to discontinue its business operations to certify security measures of companies to prevent technological information from being compromised, the entity must

notify the competent minister of that fact in advance, as prescribed by orders of the competent ministries.

(2) If the competent minister has received a notification under the preceding paragraph, the minister is to publicize that fact.

(Rescission of Approval as Approved Entities Certifying Security Measures of Companies to Prevent Technological Information from Being Compromised)

Article 75 (1) If an approved entity certifying security measures of companies to prevent technological information from being compromised falls under any of the following items, the competent minister may rescind their approval:

- (i) if the methods for undertaking business operations to certify security measures of companies to prevent technological information from being compromised have ceased to conform to the criteria prescribed in Article 67, paragraph (2), item (iii) that are established in the promotion guidelines;
- (ii) when any person has come to fall under either of item (i) or item (iii) of Article 68, paragraph (4);
- (iii) if the entity has made changes to the particulars set forth in Article 68, paragraph (2), item (ii), in violation of the provisions of Article 71, paragraph (1);
- (iv) if the entity has violated an order under Article 73; or
- (v) if the entity, by wrongful means, has obtained approval as set forth in Article 68, paragraph (1), has renewed the approval as set forth in Article 69, paragraph (1), or has obtained approval for the changes as set forth in Article 71, paragraph (1).

(2) If the competent minister has rescinded the approval under the preceding paragraph, the minister is to publicize that fact.

(Special Provisions for the Small and Medium-Sized Enterprise Credit Insurance Act)

Article 76 Regarding a general incorporated association or general incorporated foundation that has obtained approval as set forth in Article 68, paragraph (1) by limiting the scope of business operations to certify security measures of companies to prevent technological information from being compromised to those only targeting small and medium-sized enterprises (limited to a general incorporated association for which at least half of the voting rights in its general meeting of members are held by small and medium-sized enterprises, and a general incorporated foundation for which at least half of the value of the property contributed upon its incorporation has been contributed by small and medium-sized enterprises; hereinafter referred to as an "approved general incorporated association, etc." in this Article) and has received a guarantee for obligations prescribed in Article 3, paragraph (1) or Article 3-2, paragraph (1)

of the Small and Medium-Sized Enterprise Credit Insurance Act regarding funds necessary for undertaking the business operations to certify security measures of companies to prevent technological information from being compromised, the provisions of Article 3, Article 3-2, and Articles 4 through 8 of the same Act apply by deeming the relevant approved general incorporated association, etc. as the small or medium-sized enterprise set forth in Article 2, paragraph (1) of the same Act. In this case, with respect to the application of the provisions of Article 3, paragraph (1) and Article 3-2, paragraph (1) of the same Act, the phrase "the borrowings" in these provisions is deemed to be replaced with "the borrowing of the funds necessary for undertaking the business operations to certify security measures of companies to prevent technological information from being compromised prescribed in Article 2, paragraph (19) of the Act on Strengthening Industrial Competitiveness (Act No. 98 of 2013) undertaken by the approved general incorporated association, etc. prescribed in Article 76 of the same Act".

(Business Operations to Offer Cooperation to Approved Entities Certifying Security Measures of Companies to Prevent Technological Information from Being Compromised, Which Are Undertaken by the Information-technology Promotion Agency, Japan)

Article 77 In response to a request from an approved entity certifying security measures of companies to prevent technological information from being compromised, the Information-technology Promotion Agency, Japan, provides information on the the relevant approved entity's business operations to certify security measures of companies to prevent technological information from being compromised, or otherwise undertakes business operations to offer necessary cooperation (limited to the provision of information on cybersecurity prescribed in Article 2 of the Basic Act on Cybersecurity (Act No. 104 of 2014) and other business operations that promote the sophistication of information processing in business operations to certify security measures of companies to prevent technological information from being compromised).

(Business Operations to Offer Cooperation to Approved Entities Certifying Security Measures of Companies to Prevent Technological Information from Being Compromised, Which Are Undertaken by the Organization for Small & Medium Enterprises and Regional Innovation)

Article 78 In order to promote the implementation of security measures of companies to prevent technological information from being compromised, which small and medium-sized enterprises undertake, in response to a request from an approved entity certifying security measures of companies to prevent technological information from being compromised, the Organization for Small

& Medium Enterprises and Regional Innovation provides information on the business operations set forth in Article 2, paragraph (19), item (ii) which the relevant approved entity undertakes, or otherwise undertakes business operations to offer necessary cooperation.

(Restriction on Indication for Persons Other than Approved Entities Certifying Security Measures of Companies to Prevent Technological Information from Being Compromised)

Article 79 A person that undertakes business operations to certify security measures of companies to prevent technological information from being compromised but has not obtained approval as set forth in Article 68, paragraph (1) with respect to those business operations must not make an indication that could clearly give rise to the misconception that the person is an approved entity certifying security measures of companies to prevent technological information from being compromised.

Chapter IV Support for Specified Business Activities by the Japan Investment Corporation

Section 1 General Provisions

(Purpose of the Japan Investment Corporation)

Article 80 The Japan Investment Corporation is to be a stock company, with the purpose of promoting specified business activities within Japan through making investments or otherwise providing funds and offering other support towards specified investment businesses and specified business activities, in consideration of the fact that innovation in industrial activities by effectively utilizing management resources other than those owned individually has become increasingly important in order for Japanese industries to properly deal with the recent changes in the industrial structure and global competitive conditions, and with an awareness that its business operations will contribute to expanding private investment.

(Number)

Article 81 Only one Japan Investment Corporation (hereinafter referred to as the "JIC") is to be formed.

(Shares Owned by the Government)

Article 82 The government is to ordinarily hold a number of shares equivalent to two-thirds or greater of the total number of shares issued by the JIC (excluding shares of a class specified as those that cannot be used to exercise voting rights with respect to all of the matters for which a resolution can be made at a

shareholders meeting; the same applies in this Article).

(Authorization for Shares, Bonds and Borrowings)

Article 83 (1) If the JIC intends to solicit persons to subscribe for the shares for subscription prescribed in Article 199, paragraph (1) of the Companies Act (referred to as "shares for subscription" in Article 160, item (i)), the share options for subscription prescribed in Article 238, paragraph (1) of the same Act (referred to as "share options for subscription" in the same item), or the bonds for subscription prescribed in Article 676 of the same Act (referred to as "bonds for subscription" in Article 122 and Article 160, item (i)); intends to issue shares, bonds or share options at a share exchange; or intends to borrow funds, it must obtain the authorization of the Minister of Economy, Trade and Industry.

(2) After issuing shares through exercising share options, the JIC must notify the Minister of Economy, Trade and Industry of that fact without delay.

(Contributions by the Government)

Article 84 The government may make capital contributions to the JIC within a range of amounts specified in the budget, if the government considers it to be necessary.

(Trade Name)

Article 85 (1) The JIC must use the Japanese characters "株式会社産業革新投資機構" (pronounced "kabushiki gaisha sangyō kakushin tōshiki kikō", meaning "Japan Investment Corporation") in its trade name.

(2) Those other than the JIC must not use the Japanese characters "産業革新投資機構" (pronounced "sangyō kakushin tōshiki kikō", meaning "Japan Investment Corporation") in their names.

Section 2 Incorporation

(Particulars Specified or Recorded in the Articles of Incorporation)

Article 86 (1) Beyond the particulars set forth in the items of Article 27 of the Companies Act, the following particulars must be specified or recorded in the articles of incorporation of the JIC:

- (i) the number of shares issued at the time of the incorporation of the JIC (when the JIC is intended to be incorporated as a company with class shares, their classes and the number of shares in each class) (referred to as "shares issued at incorporation" in the following item, item (iii), and the following Article);
- (ii) the amount to be paid-in for shares issued at incorporation (meaning the

- amount of money paid, or assets other than money contributed, in exchange for one share issued at incorporation);
 - (iii) the number of shares issued at incorporation allotted to the government (or, if the JIC is intended to be incorporated as a company with class shares, their classes and the number of shares in each class);
 - (iv) the particulars set forth in Article 107, paragraph (1), item (i) of the Companies Act;
 - (v) the fact that a board of directors and company auditors are to be installed; and
 - (vi) the fact that the JIC is to be dissolved upon the completion of the business operations set forth in the items of Article 101, paragraph (1).
- (2) The following particulars must not be specified or recorded in the articles of incorporation of the JIC:
- (i) the fact that an audit, etc. committee or a nominating committee, etc. prescribed in Article 2, item (xii) of the Companies Act is to be installed; and
 - (ii) the provisions provided otherwise as prescribed in the proviso to Article 139, paragraph (1) of the Companies Act.

(Authorization for Incorporation)

Article 87 The incorporators of the JIC must prepare the articles of incorporation and, after having subscribed for their allotted shares issued at incorporation, they must submit the articles of incorporation and the business plan to the Minister of Economy, Trade and Industry and apply for authorization for the incorporation, promptly.

Article 88 (1) If an application for authorization under the preceding Article has been filed, the Minister of Economy, Trade and Industry is to examine whether the application conforms to all of the following:

- (i) the procedures of the incorporation and the details of the articles of incorporation are in conformity with the provisions of laws and regulations;
 - (ii) false statements are not made or recorded, and false signatures or false names and seals (including measures in lieu of the affixation of signatures or names and seals pursuant to the provisions of Article 26, paragraph (2) of the Companies Act) are not contained in the articles of incorporation; and
 - (iii) it is found to be certain that the JIC's business operations are managed soundly and it contributes to the promotion of specified business activities within Japan.
- (2) If the Minister of Economy, Trade and Industry finds that the application conforms to all of the items of the preceding paragraph as a result of the examination carried out pursuant to the provisions of the same paragraph, the minister is to give authorization for the incorporation.

(Appointment and Dismissal of Directors at Incorporation and Auditors at Incorporation)

Article 89 The appointment and dismissal of the directors at incorporation prescribed in Article 38, paragraph (1) of the Companies Act and the auditors at incorporation prescribed in paragraph (2), item (ii) of the same Article do not become effective unless the authorization of the Minister of Economy, Trade and Industry has been obtained.

(Deemed Replacement of Phrases in the Provisions of the Companies Act)

Article 90 With respect to the application of the provisions of Article 30, paragraph (2), Article 34, paragraph (1), Article 59, paragraph (1), item (i), and Article 963, paragraph (1) of the Companies Act, the phrase "Articles of incorporation that are certified by a notary public pursuant to the preceding paragraph may not be amended before the formation of the stock company" in Article 30, paragraph (2) of the same Act is deemed to be replaced with "Articles of incorporation may not be amended before the formation of the Japan Investment Corporation after the authorization set forth in Article 88, paragraph (2) of the Act on Strengthening Industrial Competitiveness (Act No. 98 of 2013)"; the phrase "subscription for shares issued at incorporation" in Article 34, paragraph (1) of the same Act is deemed to be replaced with "the authorization set forth in Article 88, paragraph (2) of the Act on Strengthening Industrial Competitiveness"; the phrase "The date of the certification of the articles of incorporation and the name of the notary public who effected such certification" in Article 59, paragraph (1), item (i) of the same Act is deemed to be replaced with "The date of the authorization set forth in Article 88, paragraph (2) of the Act on Strengthening Industrial Competitiveness"; and the phrase "Article 34, paragraph (1)" in Article 963, paragraph (1) of the same Act is deemed to be replaced with "Article 34, paragraph (1) (including as applied pursuant to the provisions of Article 90 of the Act on Strengthening Industrial Competitiveness following the deemed replacement of terms)".

(Exclusion from the Application of Provisions of the Companies Act)

Article 91 The provisions of Article 30, paragraph (1) and Article 33 of the Companies Act do not apply to the incorporation of the JIC.

Section 3 Administration

(Authorization for the Appointment of Directors and Company Auditors)

Article 92 Resolutions on the appointment and dismissal of directors and company auditors do not become effective unless the authorization of the

Minister of Economy, Trade and Industry has been obtained.

(Obligation of Confidentiality by Directors)

Article 93 The directors, accounting advisors (or, a member who is to perform the duties of an accounting advisor, if the accounting advisor is a corporation), company auditors, or employees of the JIC, or persons who were employed as such, must not divulge or misappropriate any confidential information that has come to their knowledge in the performance of their duties.

(Establishment of the Japan Investment Committee)

Article 94 The Japan Investment Committee (hereinafter referred to as the "Committee" in this Chapter) is established in the JIC.

(Authority of the Committee)

Article 95 (1) The Committee makes the following decisions and evaluations:

- (i) decisions on the businesses subject to specified fund provision set forth in Article 103, paragraph (1) (meaning fund provision by the JIC to specified investment businesses through business operations set forth in Article 101, paragraph (1), items (i) through (vii); the same applies hereinafter) and on the details of the specified fund provision;
- (ii) evaluation on the performance of business operations of approved specified investment businesses (meaning the approved specified investment businesses prescribed in Article 106, paragraph (1); the same applies in the following item and Article 101, paragraph (1), item (xii));
- (iii) decisions on the transfer or other dispositions of securities (meaning the securities set forth in the items of Article 2, paragraph (1) of the Financial Instruments and Exchange Act and those deemed to be securities pursuant to the provisions of paragraph (2) of the same Article; hereinafter the same applies except in Article 101, paragraph (1), item (vii)) that the JIC holds in approved specified investment businesses or of claims that the JIC holds against approved specified investment businesses;
- (iv) decisions on businesses subject to direct fund provision set forth in Article 108, paragraph (1) (meaning fund provision by the JIC through its business operations set forth in Article 101, paragraph (1), items (i) through (vii) directly to businesses carrying out specified business activities; the same applies hereinafter), and on the details of the direct fund provision (excluding cases in which the direct fund provision solely consists of the contributions set forth in Article 101, paragraph (1), item (i) and their amount is below a certain amount, and other cases specified by Order of the Ministry of Economy, Trade and Industry);
- (v) decisions on the transfer or other dispositions of securities or claims set

- forth in Article 110, paragraph (1); and
- (vi) beyond what is provided for in the preceding items, decisions on the matters set forth in Article 362, paragraph (4), item (i) and item (ii) of the Companies Act that have been delegated through a resolution at the board of directors to the Committee.
- (2) The Committee is deemed to have received the delegation from the board of directors with respect to decisions on the matters set forth in item (i), and items (iii) through (v) of the preceding paragraph and evaluation set forth in item (ii) of the same paragraph.

(Committee Organization)

- Article 96 (1) The Committee is composed of three to seven members who are directors.
- (2) The majority of the Committee members must be outside directors.
- (3) One or more representative directors must be included within the Committee members.
- (4) Committee members are decided through a resolution at the board of directors.
- (5) Resolutions on the appointment and dismissal of Committee members do not become effective unless the authorization of the Minister of Economy, Trade and Industry has been obtained.
- (6) The Committee members perform their duties independently.
- (7) The Committee has a chairperson, for whom the Committee members vote from among themselves.
- (8) The chairperson presides over all of the affairs of the Committee.
- (9) The Committee must designate, in advance, a Committee member to undertake the duties of the chairperson in the event that the chairperson is unable to perform their duties.

(Committee Operations)

- Article 97 (1) The Committee is to be convened by the chairperson (or, if the chairperson is unable to perform duties, by the person who undertakes the duties of the chairperson as prescribed in paragraph (8) of the preceding Article; the same applies in the following paragraph and paragraph (3)).
- (2) The Committee may not hold a meeting or make resolutions without the attendance of the chairperson and at least two-thirds of the total number of incumbent Committee members.
- (3) A resolution by the Committee is made by a majority of the votes of the Committee members present at the meeting. In case of a tie, the chairperson makes the final decision.
- (4) Committee members who have a special interest with respect to a resolution

pursuant to the provisions of the preceding paragraph may not participate in voting on it.

- (5) The number of Committee members who may not participate in voting pursuant to the provisions of the preceding paragraph is not included in the number of incumbent Committee members prescribed in paragraph (2).
- (6) Company auditors must attend Committee meetings and, if the Committee intends to make evaluations set forth in Article 95, paragraph (1), item (ii) or otherwise considers it necessary, they must state their opinions.
- (7) After a resolution has been made pursuant to the provisions of paragraph (3), a member of the Committee who has been appointed by the Committee must notify the board of directors of the details of the resolution without delay.
- (8) Minutes must be prepared with respect to the resolutions at the Committee, as prescribed by Order of the Ministry of Economy, Trade and Industry, and if those minutes are in the form of written documents, the Committee members and company auditors who attended the Committee meeting must sign, or affix their names and seals to those minutes.
- (9) If the minutes set forth in the preceding paragraph have been prepared in the form of electronic or magnetic records (meaning records created in electronic form, magnetic form, or any other form that is impossible to perceive through human senses alone, which are used in information processing by computers; hereinafter the same applies in this paragraph and paragraph (2), item (ii) of the following Article), measures in lieu of the affixation of signatures or names and seals specified by Order of the Ministry of Economy, Trade and Industry must be taken with respect to the particulars recorded in the electronic or magnetic records.
- (10) Beyond what is provided for in the preceding paragraphs and the following Article, the Committee decides on the procedures for resolutions and other necessary matters concerning its own operations.

(Committee Minutes)

Article 98 (1) The JIC must keep the minutes set forth in paragraph (8) of the preceding Article at its head office for ten years from the date of the Committee meeting.

- (2) Shareholders may make the following requests by receiving the permission of the court, if it is necessary for exercising their rights:
 - (i) a request to inspect or copy written documents of the minutes set forth in the preceding paragraph, if those minutes are prepared in the form of written documents; and
 - (ii) a request to inspect or copy anything representing the particulars recorded in the electronic or magnetic records of the minutes set forth in the preceding paragraph in a manner specified by Order of the Ministry of Economy, Trade

and Industry, if those minutes are prepared in the form of electronic or magnetic records.

- (3) Creditors may make requests as set forth in the items of the preceding paragraph with respect to the minutes set forth in paragraph (1) by receiving the permission of the court, if it is necessary for pursuing the liability of a Committee member.
- (4) The court may not give the permission set forth in paragraph (2) or the preceding paragraph if it considers that substantial detriment to the JIC is likely to be caused by the inspection or copying regarding the requests set forth in the items of paragraph (2) or the requests set forth in the preceding paragraph.
- (5) The provisions of Article 868, paragraph (1), Article 869, Article 870, paragraph (2) (limited to the portion regarding item (i)), Article 870-2, the main clause of Article 871, Article 872 (limited to the portion regarding item (v)), Article 872-2, the main clause of Article 873, Article 875 and Article 876 of the Companies Act apply mutatis mutandis to the permission set forth in paragraph (2) and paragraph (3).
- (6) The directors may make requests set forth in the items of paragraph (2) with respect to the minutes set forth in paragraph (1).

(Registration of Committee Members)

- Article 99 (1) If the JIC has appointed Committee members, it must register their names at the location of its head office within two weeks. This also applies if changes to the names of the Committee members have arisen.
- (2) A written application for registration of the appointment of Committee members under the preceding paragraph must be filed with documents evidencing the appointment of Committee members and the appointed Committee members' acceptance of the assumption of office attached to it.
 - (3) A written application for registration of changes due to the resignation of a Committee member must be filed with documents evidencing that fact attached to it.
 - (4) With respect to directors who are appointed as Committee members and who are outside directors, the JIC must register the fact that they are outside directors.

(Changes to the Articles of Incorporation)

Article 100 Resolutions on changes to the articles of incorporation of the JIC do not become effective unless the authorization of the Minister of Economy, Trade and Industry has been obtained.

Section 4 Business Operations

(Investment Standards to be Complied with by the JIC)

- Article 102 (1) The Minister of Economy, Trade and Industry is to establish the standards that the JIC should comply with if making decisions on specified investment businesses subject to specified fund provision and the details of the specified fund provision (hereinafter referred to as the "investment standards" in this Chapter).
- (2) The investment standards are to specify the following:
- (i) particulars concerning the selection of business fields in which specified fund provision should be conducted especially intensively;
 - (ii) particulars concerning the details of the specified fund provision;
 - (iii) particulars concerning time limits for transfer or other dispositions of securities and claims of specified investment business that the JIC acquires; and
 - (iv) the details of support other than fund provision, such as fostering and utilization of human resources, if the JIC offers it.
- (3) If the Minister of Economy, Trade and Industry intends to establish the investment standards pursuant to the provisions of paragraph (1), the minister

is to hear the opinion of the minister with jurisdiction (meaning the minister with jurisdiction over the business regarding activities subject to specified investment businesses' provision of funds or other support for specified business activities and their provision of funds or other support for business activities to provide funds or other support for specified business activities; the same applies in Article 104, paragraph (3)) in advance.

- (4) If the Minister of Economy, Trade and Industry has established the investment standards pursuant to the provisions of paragraph (1), the minister is to publicize them.
- (5) The Minister of Economy, Trade and Industry is to make changes to the investment standards when any need arises due to fluctuations in the state of the economy.
- (6) The provisions of paragraph (3) and paragraph (4) apply mutatis mutandis to changes to the investment standards under the preceding paragraph.

(Decisions on Specified Fund Provision)

Article 103 (1) If the JIC intends to conduct specified fund provision, it must make a decision on specified investment businesses subject to the fund provision and the details of the specified fund provision in accordance with the investment standards.

- (2) If the JIC intends to make a decision as to whether or not it conducts specified fund provision, it must obtain the authorization of the Minister of Economy, Trade and Industry in advance.
- (3) If the JIC intends to obtain the authorization set forth in the preceding paragraph, it must submit a written application containing the following to the Minister of Economy, Trade and Industry:
 - (i) the details of the specified fund provision;
 - (ii) the details of the specified investment businesses' provision of funds or other support for specified business activities and their provision of funds or other support for business activities to provide funds or other support for specified business activities, and particulars concerning the implementation framework;
 - (iii) particulars concerning time limits for transfer or other dispositions of securities and claims that the JIC acquires in specified investment businesses; and
 - (iv) the details of support other than fund provision, such as fostering and utilization of human resources, if the JIC offers it.

Article 104 (1) If the Minister of Economy, Trade and Industry has received an application for the authorization set forth in paragraph (3) of the preceding Article, the minister is to examine whether the application conforms to both of

the following:

- (i) the application conforms to the investment standards; and
 - (ii) the specified investment businesses' provision of funds or other support for specified business activities and their provision of funds or other support for business activities to provide funds or other support for specified business activities are expected to be carried out smoothly and reliably.
- (2) If the Minister of Economy, Trade and Industry finds that the application conforms to both of the items of the preceding paragraph as a result of the examination carried out pursuant to the provisions of the same paragraph, the minister is to give authorization as set forth in paragraph (2) of the preceding Article.
- (3) If the Minister of Economy, Trade and Industry intends to give authorization as set forth in paragraph (2) of the preceding Article, the minister is to hear the opinion of the minister with jurisdiction in advance.

(Changes to Authorization Concerning Specified Fund Provision)

- Article 105 (1) If the JIC intends to make changes to the particulars set forth in the items of Article 103, paragraph (3), it must obtain the authorization of the Minister of Economy, Trade and Industry, as prescribed by Order of the Ministry of Economy, Trade and Industry.
- (2) The provisions of the preceding Article apply *mutatis mutandis* to the authorization set forth in the preceding paragraph.

(Evaluations on the Performance of Business Operations of Approved Specified Investment Businesses)

- Article 106 (1) The JIC must evaluate the performance of business operations of approved specified investment businesses (meaning specified investment businesses to which the JIC conducts specified fund provision by obtaining the authorization set forth in Article 103, paragraph (2); the same applies hereinafter) for each business year.
- (2) If the JIC has made evaluation as set forth in the preceding paragraph, it must notify the relevant approved specified investment businesses of the evaluation results and collect funds regarding specified fund provision or otherwise take necessary measures against the approved specified investment businesses in accordance with the evaluation results, without delay.
- (3) If the JIC has made evaluation as set forth in paragraph (1) or has taken measures as set forth in the preceding paragraph, it must report the evaluation results or the details of the measures to the Minister of Economy, Trade and Industry.
- (4) If the Minister of Economy, Trade and Industry has received a report under the preceding paragraph and finds it necessary, the minister is to change the

investment standards.

(Support Standards to be Complied with by the JIC)

Article 107 (1) The Minister of Economy, Trade and Industry is to establish the standards that the JIC should comply with if making decisions on businesses subject to direct fund provision and the details of the direct fund provision (referred to as the "support standards" in the following paragraph and paragraph (3) of this Article, and paragraph (1) of the following Article).

(2) If the Minister of Economy, Trade and Industry intends to establish the support standards pursuant to the provisions of the preceding paragraph, the minister is to hear the opinion of the minister with jurisdiction (meaning the minister with jurisdiction over the business regarding the activities subject to direct fund provision; the same applies in paragraph (4) and paragraph (5) of the following Article) in advance.

(3) If the Minister of Economy, Trade and Industry has established the support standards pursuant to the provisions of paragraph (1), the minister is to publicize them.

(4) The Minister of Economy, Trade and Industry is to make changes to the support standards if any need arises due to fluctuations in the state of the economy.

(5) The provisions of paragraph (2) and paragraph (3) apply mutatis mutandis to changes to the support standards under the preceding paragraph.

(Decisions on Direct Fund Provision)

Article 108 (1) If the JIC intends to conduct direct fund provision, it must make a decision on businesses subject to it and the details of the direct fund provision, in accordance with the support standards.

(2) If the JIC intends to make a decision as to whether it conducts direct fund provision or not, it must notify the Minister of Economy, Trade and Industry of that fact and specify a reasonable period of time for the minister to state the opinion, in advance; provided, however, that this does not apply if direct fund provision solely consists of contributions (limited to contributions whose amount is below a certain amount and other contributions specified by Cabinet Order).

(3) If the JIC has made a decision to conduct direct fund provision in cases prescribed in the proviso to the preceding paragraph, it must promptly report to the Minister of Economy, Trade and Industry to that effect and on the details thereof.

(4) If the Minister of Economy, Trade and Industry has received a notification under paragraph (2), the minister is to promptly notify the minister with jurisdiction of the details of the notification.

(5) If the minister with jurisdiction has received a notification under the preceding paragraph, and finds it to be necessary in view of the situation in the field of business to which the relevant business belongs, the minister may state the opinion to the JIC within the period of time set forth in paragraph (2).

(Revocation of Decisions on Direct Fund Provision)

Article 109 (1) In the following cases, the JIC must promptly revoke a decision on direct fund provision:

- (i) if a business subject to direct fund provision does not carry out specified business activities; and
 - (ii) if a business subject to direct fund provision has received a ruling on the starting of bankruptcy proceedings, a ruling on the starting of rehabilitation proceedings, a ruling on the starting of reorganization proceedings, an order to start special liquidation, or an approval for foreign insolvency proceedings.
- (2) If the JIC has revoked a decision on direct fund provision pursuant to the provisions of the preceding paragraph, it must immediately notify the business subject to direct fund provision of that fact.

(Transfer or Other Disposal of Securities)

Article 110 (1) If the JIC intends to make a decision on the transfer or other disposal of securities or claims that it holds regarding a business subject to direct fund provision, it must notify the Minister of Economy, Trade and Industry of that fact and specify a reasonable period of time for the minister to state their opinion in advance.

- (2) The JIC must endeavor to transfer or otherwise dispose of all securities and claims that it holds by March 31, 2034, in consideration of the economic situation and the state of the business of subject businesses.
- (3) The redemption date for loans that are subject to a guarantee for obligations by the JIC must be not later than March 31, 2034.

(Requests for Acceptance of Shares from the Competent Minister of Specified Government-Funded Companies)

Article 111 Upon consulting with the Minister of Finance, the competent minister is to request the JIC to accept all shares that the government holds in specified government-funded companies (referred to as "specified shares" in the following Article and Article 114) at the value evaluated by the evaluation committee members as set forth in paragraph (3) of the following Article.

(Acceptance of Specified Shares by the JIC)

Article 112 (1) If the JIC has received a request pursuant to the provisions of the preceding Article, it must accept all of the specified shares within a period of

time designated by the Minister of Economy, Trade and Industry within three months from the request. In this case, those specified shares that the JIC has accepted are deemed to be held by the government with respect to the application of the provisions of Article 2, paragraph (22) of this Act and the provisions of other laws and regulations that provide that those specified shares should be held by the government.

- (2) If the JIC accepts specified shares under the preceding paragraph, and issues shares or disposes of treasury shares in exchange for the acceptance, with respect to the application of the provisions of Article 199, paragraph (2) of the Companies Act to the JIC, the phrase "a shareholders meeting" in the same paragraph is deemed to be replaced with "a board of directors" and the following proviso is to be added to the same paragraph: "; provided, however, that the board of directors must decide the amount to be paid or the method for calculating the relevant amount as set forth in item (ii) of the preceding paragraph based on the evaluation by the evaluation committee members set forth in Article 112, paragraph (3) of the Act on Strengthening Industrial Competitiveness (Act No. 98 of 2013)".
- (3) The value of the specified shares that the JIC accepts pursuant to the provisions of paragraph (1) is to be the value evaluated by the evaluation committee members.
- (4) If the evaluation committee members set forth in the preceding paragraph (simply referred to as the "evaluation committee members" in Article 114, paragraph (2) and paragraph (3)) intend to make an evaluation as set forth in the preceding paragraph, they are to use, as the basis, the market value of the specified shares as of the day on which the acceptance of all of the specified shares becomes effective; provided, however, that they may decide not to depend on the market value of the specified shares if they find it inappropriate to do so in consideration of the types of the specified shares and other particulars.
- (5) Beyond what is provided for in the preceding paragraphs, Cabinet Order prescribes necessary particulars concerning the acceptance of specified shares by the JIC.

Article 113 The provisions of Article 469, paragraph (1) (limited to the part other than what is listed in the items therein), paragraph (3), and paragraph (5) to paragraph (9), Article 470, and Article 868 to Article 876 of the Companies Act apply *mutatis mutandis* to the cases set forth in paragraph (1) of the preceding Article. In this case, the phrases set forth in the middle column of the following table that are used in the provisions of the same Act set forth in the left-hand column of the same table are deemed to be replaced with the phrases set forth in the right-hand column of the same table, and any other necessary technical

replacement of the phrases is to be specified by Cabinet Order.

(Transfer of Specified Shares by the JIC)

Article 114 (1) If the JIC intends to transfer specified shares, it must obtain the authorization of the Minister of Economy, Trade and Industry.

(2) When the JIC intends to transfer the specified shares by obtaining authorization as set forth in the preceding paragraph, the value of those shares is that evaluated by the evaluation committee members.

(3) If the evaluation committee members intend to make an evaluation as set forth in the preceding paragraph, they are to use, as the basis, the market value of the specified shares as of the day on which the transfer of the specified shares becomes effective; provided, however, that they may decide not to depend on the market value of the specified shares if they find it inappropriate to do so in consideration of the types of the specified shares and other particulars.

(4) Beyond what is provided for in the preceding three paragraphs, Cabinet Order prescribes necessary particulars concerning the transfer of specified shares by the JIC.

Section 5 State Assistance

Article 115 (1) The Minister of Economy, Trade and Industry and heads of national administrative organs are to endeavor to provide the JIC and subject businesses with advice or other assistance necessary for the JIC and subject

businesses to implement their business smoothly and reliably.

- (2) Beyond what is provided for in the preceding paragraph, the Minister of Economy, Trade and Industry and heads of national administrative organs are to cooperate and develop mutual coordination so as to encourage the JIC and subject businesses to implement their business smoothly and reliably.

Section 6 Finance and Accounting

(Budget Authorization)

Article 116 (1) Before the start of each business year, the JIC must submit the budget for the relevant business year to the Minister of Economy, Trade and Industry, and obtain the authorization of the minister. This also applies if the JIC intends to make changes to the budget.

- (2) The JIC must attach documents concerning the business plan and financial plan for that relevant business year to the budget set forth in the preceding paragraph.

(Resolutions on Dividends of Surplus)

Article 117 Resolutions at the JIC on dividends of surplus and other dispositions of surplus do not become effective unless the authorization of the Minister of Economy, Trade and Industry has been obtained.

(Financial Statements)

Article 118 The JIC must submit a balance sheet, profit and loss statement, and business report within three months from the end of each business year, for the relevant business year to the Minister of Economy, Trade and Industry.

(Government Guarantees)

Article 119 Notwithstanding the provisions of Article 3 of the Act on the Restrictions on Financial Assistance by the Government to Corporations (Act No. 24 of 1946), the government may provide guarantees for obligations regarding the JIC's bonds or borrowing set forth in Article 83, paragraph (1), within the limit of the amount approved by the Diet.

(Remuneration for Directors and Salary for Employees)

Article 120 (1) The JIC must establish standards for remuneration and severance pay for directors and salary for employees, notify the Minister of Economy, Trade and Industry of those standards, and also publicize them. This also applies if the JIC has made changes to them.

- (2) With respect to salary or other treatment for employees solely engaging in business operations to make capital contributions (referred to as "employees

solely engaging in contributions" in this paragraph), the JIC is to pay attention to securing excellent personnel, fostering young employees solely engaging in contributions, and promoting their activities, within the budget authorized pursuant to the provisions of Article 116, paragraph (1).

Section 7 Supervision

(Supervision)

Article 121 (1) The Minister of Economy, Trade and Industry supervises the JIC, in accordance with what is provided for by this Act.

(2) If the Minister of Economy, Trade and Industry finds it necessary for the enforcement of this Act, the minister may issue orders to the JIC as necessary for its supervision with respect to business operations of the JIC and approved specified investment businesses.

(Consultations with the Minister of Finance)

Article 122 If the Minister of Economy, Trade and Industry intends to give the authorization set forth in Article 83, paragraph (1) (limited to cases in which the JIC intends to solicit persons to subscribe for the shares for subscription, issue bonds at a share exchange, or borrow funds), Article 88, paragraph (2), Article 100, Article 101, paragraph (3), Article 103, paragraph (2), Article 105, paragraph (1), Article 114, paragraph (1), Article 116, paragraph (1), Article 117, or Article 125; establishes the investment standards pursuant to the provisions of Article 102, paragraph (1); or makes changes to the investment standards pursuant to the provisions of paragraph (5) of the same Article or Article 106, paragraph (4), the minister is to consult with the Minister of Finance.

(Evaluation on the Performance of Business Operations)

Article 123 (1) The Minister of Economy, Trade and Industry is to make evaluation with respect to the performance of business operations by the JIC for each business year.

(2) If the Minister of Economy, Trade and Industry has made evaluation as set forth in the preceding paragraph, the minister is to give notice concerning the evaluation results to the JIC and publicize them, without delay.

(3) Upon making evaluation as set forth in paragraph (1), the Minister of Economy, Trade and Industry is to take into account the fact that the JIC is required to utilize highly professional and practical knowledge in its business operations in order to deal with the changes in the industrial structure and global competitive conditions.

Section 8 Dissolution

(Dissolution of the JIC)

Article 124 The JIC is to be dissolved upon the completion of the business operations set forth in the items of Article 101, paragraph (1).

(Resolutions on Mergers)

Article 125 Resolutions on mergers, company splits, transfer or acceptance of business, and dissolution of the JIC do not become effective unless the authorization of the Minister of Economy, Trade and Industry has been obtained.

Chapter V Revitalization of Small and Medium-Sized Enterprises

Section 1 Support for Start-ups

(Guidelines for the Implementation of Programs for Supporting Start-ups, etc.)

Article 126 (1) The Minister of Economy, Trade and Industry and the Minister of Internal Affairs and Communications are to establish guidelines for the implementation of programs for supporting start-ups, etc. (hereinafter referred to as the "implementation guidelines" in this Article and paragraph (4), item (i) of the following Article) for the purpose of properly supporting start-ups through programs for supporting start-ups, etc. and proactively carrying out dissemination and awareness-raising activities concerning start-ups, thereby contributing to the revitalization of small and medium-sized enterprises.

(2) The implementation guidelines are to specify the following:

(i) particulars concerning the setting-up of goals for the promotion of start-ups through programs for supporting start-ups, etc.;

(ii) particulars concerning the methods for implementing programs for supporting start-ups, etc.;

(iii) particulars concerning roles to be fulfilled by municipalities (including special wards; the same applies hereinafter) regarding the implementation of programs for supporting start-ups, etc.; and

(iv) other important particulars relating to programs for supporting start-ups, etc.

(3) The Minister of Economy, Trade and Industry and the Minister of Internal Affairs and Communications are to make changes to the implementation guidelines if any need arises due to fluctuations in the state of the economy.

(4) If the Minister of Economy, Trade and Industry and the Minister of Internal Affairs and Communications intend to establish the implementation guidelines or make changes thereto, they are to consult with the ministers with jurisdiction over the businesses of small and medium-sized enterprises, and

hear the opinion of the Small and Medium-Sized Enterprise Policy Making Council, in advance.

- (5) If the Minister of Economy, Trade and Industry and the Minister of Internal Affairs and Communications have established the implementation guidelines or have made changes thereto, they are to publicize the established or changed implementation guidelines, without delay.

(Approval for Plans for Programs for Supporting Start-ups, etc.)

Article 127 (1) A municipality may prepare a plan for a program for supporting start-ups, etc. it intends to implement (including a program for supporting start-ups, etc. that a person other than the municipality intends to implement in collaboration with the municipality's program for supporting start-ups, etc.; the same applies hereinafter) (hereinafter the relevant plan is referred to as a "plan for a program for supporting start-ups, etc."), and submit it to the competent minister to seek approval therefor, as prescribed by orders of the competent ministries.

- (2) If two or more municipalities intend to jointly implement their program for supporting start-ups, etc., those two or more municipalities may jointly prepare a plan for a program for supporting start-ups, etc. to seek approval therefor as set forth in the preceding paragraph.
- (3) A plan for a program for supporting start-ups, etc. must contain the following:
- (i) the goal of the program for supporting start-ups, etc.;
 - (ii) the details of the program for supporting start-ups, etc. that the municipalities intend to implement (including the fact that all or part of the program for supporting start-ups, etc. falls under a specified program for supporting start-ups, etc., if that is the case), and particulars concerning the implementation methods therefor;
 - (iii) the following if there is any program for supporting start-ups, etc. that a person other than the municipalities intends to implement in collaboration with the municipalities' program for supporting start-ups, etc.:
 - (a) the name and address of the person who implements the program for supporting start-ups, etc. and in the case of a corporation, the name of its representative;
 - (b) the details of the program for supporting start-ups, etc. (including the fact that all or part of the program for supporting start-ups, etc. falls under a specified program for supporting start-ups, etc., if that is the case), and particulars concerning the implementation methods therefor; and
 - (c) particulars concerning the collaboration with the program for supporting start-ups, etc. that the municipalities intend to implement; and
 - (d) particulars concerning the collaboration that the municipality (or municipalities) seeks collaboration with schools or other educational

institutions prescribed in Article 1 of the School Education Act (Act No. 26 of 1947) upon implementing a program for supporting start-ups, etc.

(limited to a program regarding Article 2, paragraph (25), item (ii)), if that is the case; and

(iv) period for the plan.

(4) If the competent minister has received an application for approval as set forth in paragraph (1) and finds that the plan for a program for supporting start-ups, etc. conforms to both of the following items, the minister is to approve the plan:

(i) the relevant plan is appropriate in light of the implementation guidelines;

and

(ii) the program for supporting start-ups, etc. under the relevant plan is expected to be implemented smoothly and reliably.

(5) If the competent minister has granted approval as set forth in paragraph (1), the minister is to publicize the details of the plan for a program for supporting start-ups, etc. regarding the approval, as prescribed by orders of the competent ministries.

(Changes to Plans for Programs for Supporting Start-ups, etc.)

Article 128 (1) If a municipality that has obtained approval as set forth in paragraph (1) of the preceding Article (hereinafter referred to as an "approved municipality") intends to make changes to the plan for a program for supporting start-ups, etc. regarding the approval, the municipality must seek the approval of the competent minister, as prescribed by orders of the competent ministries.

(2) If the competent minister finds that an approved municipality (including a person that implements the program by a person other than the municipality in collaboration with the program for supporting start-ups, etc. that the approved municipality implements under a plan for a program for supporting start-ups, etc. regarding the approval (or the plan after changes if an approval has been granted for those changes under the preceding paragraph; hereinafter referred to as an "approved plan for a program for supporting start-ups, etc."); the relevant collaborative program is referred to as an "approved collaborative program for supporting start-ups, etc." in Article 130, and the relevant person is referred to as a "business implementing approved collaborative program for supporting start-ups, etc." in Article 131, paragraph (1) and Article 141, paragraph (1)) is not implementing the program for supporting start-ups, etc. in accordance with the approved plan for a program for supporting start-ups, etc., the minister may rescind the approval.

(3) If the competent minister finds that an approved plan for a program for supporting start-ups, etc. no longer conforms to either of the items of paragraph (4) of the preceding Article, the minister may direct the approved

municipality to make changes to the approved plan for a program for supporting start-ups, etc. or may rescind the approval.

(4) If the competent minister has rescinded the approval under the preceding two paragraphs, the minister is to publicize that fact.

(5) The provisions of paragraph (4) and paragraph (5) of the preceding Article apply mutatis mutandis to the approval set forth in paragraph (1).

(Special Provisions for the Small and Medium-Sized Enterprise Credit Insurance Act)

Article 129 (1) With respect to the application of the provisions of Article 3-2, paragraph (1) and paragraph (3) of the Small and Medium-Sized Enterprise Credit Insurance Act regarding the insurance relationships of unsecured insurance that pertain to a small or medium-sized enterprise which is a founder (including the founders set forth in Article 2, paragraph (24), item (i), item (iii), and item (v); the same applies hereinafter) having received a start-up-related guarantee (meaning a guarantee for obligations prescribed in Article 3-2, paragraph (1) of the same Act regarding the required funds of a founder that are specified by Order of the Ministry of Economy, Trade and Industry; hereinafter the same applies in this Article), the phrase "small or medium-sized enterprise" in Article 3-2, paragraph (1) of the same Act is deemed to be replaced with "small or medium-sized enterprise (including the founders set forth in Article 2, paragraph (24), item (i), item (iii), and item (v) of the Act on Strengthening Industrial Competitiveness (Act No. 98 of 2013); the same applies hereinafter)"; the phrase "the total insurance value per each small or medium-sized enterprise" in the same paragraph is deemed to be replaced with "the total insurance value of the insurance relationships regarding a start-up-related guarantee prescribed in Article 129, paragraph (1) of the same Act (hereinafter referred to as a "start-up-related guarantee") and the total insurance value for other insurance relationships per each small or medium-sized enterprise, respectively,"; and the phrase "80,000,000 yen" in the same paragraph is deemed to be replaced with "10,000,000 yen (or 15,000,000 yen for the total insurance value of the insurance relationships regarding a start-up-related guarantee that is related to the funds required for a start-up by receiving support through the approved specified start-up program prescribed in Article 2, paragraph (23), item (i) of the same Act, as prescribed by Order of the Ministry of Economy, Trade and Industry (hereinafter referred to as a "supported start-up-related guarantee")) and 80,000,000 yen"; and the phrase "the amount guaranteed out of the amount of the borrowings" in paragraph (3) of the same Article is deemed to be replaced with "the amount guaranteed out of the amount of the borrowings, for each of the start-up-related guarantee and other guarantees, respectively,"; the phrase "exceed

80,000,000 yen" in the same paragraph is deemed to be replaced with "exceed 10,000,000 yen (or 15,000,000 yen for a supported start-up-related guarantee) and 80,000,000 yen)"; the phrase "a small or medium-sized enterprise that is the debtor" in the same paragraph is deemed to be replaced with "a small or medium-sized enterprise that is the debtor, for each of the start-up-related guarantee and other guarantees"; and the phrase "from 80,000,000 yen" in the same paragraph is deemed to be replaced with "from 10,000,000 yen (or 15,000,000 yen for a supported start-up-related guarantee) and 80,000,000 yen, respectively".

- (2) The founder set forth in Article 2, paragraph (24), item (i), item (iii), and item (v) that has received a start-up-related guarantee is deemed to be a small or medium-sized enterprise as set forth in Article 2, paragraph (1) of the Small and Medium-Sized Enterprise Credit Insurance Act, and the provisions of Article 3-2 and Articles 4 through 8 of the same Act apply to the relevant founder.
- (3) With respect to the application of the provisions of Article 3-2, paragraph (2) and Article 5 of the Small and Medium-Sized Enterprise Credit Insurance Act regarding the insurance relationships of unsecured insurance from among those regarding start-up-related guarantees that are related to a small or medium-sized enterprise which is a founder falling under both of the following items, the phrase "80 percent" in Article 3-2, paragraph (2) of the same Act and the phrase "70 percent (or 80 percent, for unsecured insurance, special petty insurance, current assets insurance, pollution prevention insurance, energy conservation insurance, overseas investment-related insurance, new business development insurance, corporate rehabilitation insurance, and specific corporate bond insurance)" in Article 5 of the same Act are deemed to be replaced with "90 percent":
 - (i) the relevant person falls under either of the following:
 - (a) if the relevant person falls under the categories of persons set forth in Article 2, paragraph (24), items (i) through (iii), it has experienced the discontinuation of a business that the person operated in the past due to a worsening of its circumstances, or the person was an officer conducting the business of a company that was dissolved due to a worsening of its circumstances as of the day on which the dissolution occurred; or
 - (b) if the relevant person falls under the categories of persons set forth in Article 2, paragraph (24), item (iv), the individual who established the company has experienced the discontinuation of a business that the individual operated in the past due to a worsening of its circumstances, or the individual was an officer conducting the business of a company that was dissolved due to a worsening of its circumstances as of the day on which the dissolution occurred; and

Section 2 Development of the Support System for Small and Medium-Sized Enterprise Revitalization

(Guidelines Concerning Support for Business Rehabilitation of Small and Medium-Sized Enterprises)

Article 133 (1) For the purpose of properly supporting the business rehabilitation of small and medium-sized enterprises through SME business rehabilitation through succession or other efforts, and thereby contributing to their revitalization, the Minister of Economy, Trade and Industry is to establish basic guidelines concerning support measures to be taken by the State, local governments, the Organization for Small & Medium Enterprises and Regional Innovation, and approved support institutions (hereinafter referred to as the "support guidelines" in this Article and paragraph (1) of the following Article).

(2) The support guidelines are to specify the following:

- (i) basic particulars concerning support for the revitalization of small and medium-sized enterprises;
- (ii) particulars concerning the details of support for the revitalization of small and medium-sized enterprises;
- (iii) particulars concerning the support system for the revitalization of small and medium-sized enterprises; and
- (iv) other particulars to be taken into consideration concerning support for the revitalization of small and medium-sized enterprises.

(3) The Minister of Economy, Trade and Industry is to make changes to the

support guidelines if any need arises due to fluctuations in the state of the economy.

- (4) If the Minister of Economy, Trade and Industry intends to establish the support guidelines or make changes thereto, the minister is to consult with the minister who has jurisdiction over the businesses of small and medium-sized enterprises, and to hear the opinion of the Small and Medium-Sized Enterprise Policy Making Council, in advance.
- (5) If the Minister of Economy, Trade and Industry has established the support guidelines or has made changes thereto, the minister is to publicize the established or changed support guidelines without delay.

(Approved Support Institutions)

- Article 134 (1) Based on the support guidelines and as prescribed by Order of the Ministry of Economy, Trade and Industry, the Minister of Economy, Trade and Industry may approve a society of commerce and industry, a prefectural federation of societies of commerce, a chamber of commerce, or a designated corporation prescribed in Article 7, paragraph (1) of the Small and Medium-Sized Enterprise Support Act (Act No. 147 of 1963) that is considered to be able to undertake the business operations prescribed in the following paragraph (hereinafter referred to as "business operations to support small and medium-sized enterprise revitalization") in all or part of the area of a prefecture, properly and reliably, as a person undertaking business operations to support small and medium-sized enterprise revitalization, upon application therefrom.
- (2) A person that has obtained approval as set forth in the preceding paragraph (hereinafter referred to as an "approved support institution") is to undertake the following business operations in the area set forth in paragraph (4), item (iv), (c) regarding the approval, beyond what is provided for by other laws and regulations:
 - (i) provision of necessary guidance or advice upon request from a small or medium-sized enterprise undertaking or intending to undertake either of the following (including an individual not currently engaged in business, if that individual undertakes or intends to undertake what are set forth in (a)):
 - (a) streamlining of the production or the sale of goods or the provision of services, by effectively combining and integrally utilizing existing management resources and new management resources regarding the businesses to be succeeded to from other small or medium-sized enterprise[s] through a merger, acceptance of business, or the equivalent thereto; or
 - (b) rehabilitation of business by SME business rehabilitation through succession or by other efforts;
 - (ii) mediation concerning a merger, transfer or acceptance of business, or the

- equivalent thereto regarding what are set forth in (a) of the preceding item;
 - (iii) provision of training concerning what are set forth in (a) or (b) of item (i) to small and medium-sized enterprises, persons implementing programs for supporting improvements to their management, and their employees;
 - (iv) collection, investigation and research of necessary information related to the business operations set forth in the preceding three items, and dissemination of the results thereof; and
 - (v) investigation necessary for undertaking the business operations set forth in Article 140, item (i), based on an entrustment from the Organization for Small & Medium Enterprises and Regional Innovation.
- (3) An approved support institution may undertake private dispute resolution procedures (meaning the procedures prescribed in Article 2, item (i) of the Act on Promotion of Use of Alternative Dispute Resolution) on disputes regarding corporate rehabilitation, by obtaining the certification set forth in Article 5 of the same Act and the approval set forth in Article 49, paragraph (1) of this Act, beyond the business operations specified by other laws and regulations and the business operations set forth in the items of the preceding paragraph.
- (4) A person intending to obtain approval as set forth in paragraph (1) must submit a written application for approval containing the following to the Minister of Economy, Trade and Industry, as prescribed by Order of the Ministry of Economy, Trade and Industry:
- (i) the name and address;
 - (ii) location of the office;
 - (iii) candidates for council members whom the person intends to appoint as members of the Small and Medium-Sized Enterprise Revitalization Support Council prescribed in paragraph (1) of the following Article; and
 - (iv) the following particulars concerning business operations to support small and medium-sized enterprise revitalization:
 - (a) the details of business operations to support small and medium-sized enterprise revitalization;
 - (b) a framework for undertaking business operations to support small and medium-sized enterprise revitalization;
 - (c) areas in which to undertake business operations to support small and medium-sized enterprise revitalization; and
 - (d) other particulars specified by Order of the Ministry of Economy, Trade and Industry.
- (5) If there have been any changes to the particulars set forth in item (i) and item (ii) of the preceding paragraph, an approved support institution must notify the Minister of Economy, Trade and Industry of that fact without delay, and if it intends to make changes (excluding minor changes specified by Order of the Ministry of Economy, Trade and Industry) to the particulars set forth in

item (iv) of the same paragraph, it must notify the Minister of Economy, Trade and Industry of that fact in advance.

(Small and Medium-Sized Enterprise Revitalization Support Councils)

Article 135 (1) A Small and Medium-Sized Enterprise Revitalization Support Council is established in an approved support institution.

(2) A Small and Medium-Sized Enterprise Revitalization Support Council must be composed of the head of the approved support institution and the council members appointed by the head.

(3) Members of a Small and Medium-Sized Enterprise Revitalization Support Council must be appointed from among persons who have practical experience or relevant knowledge and experience regarding business operations to support small and medium-sized enterprise revitalization.

(4) If the head of an approved support institution has appointed members of a Small and Medium-Sized Enterprise Revitalization Support Council, the head must notify the Minister of Economy, Trade and Industry of that fact, as prescribed by Order of the Ministry of Economy, Trade and Industry. This also applies if changes have arisen in the membership of the Small and Medium-Sized Enterprise Revitalization Support Council.

(5) A Small and Medium-Sized Enterprise Revitalization Support Council must deliberate and decide on the specific details, necessary particulars concerning the securing of the framework for undertaking business operations, and other important particulars for the execution of the approved support institution's business operations to support small and medium-sized enterprise revitalization, and must provide specialist advice to the approved support institution.

(6) Beyond what are provided for in the preceding items, Cabinet Order prescribes necessary particulars concerning the organization and operation of Small and Medium-Sized Enterprise Revitalization Support Councils.

(Obligation of Confidentiality)

Article 136 (1) Officers or employees of approved support institutions or members of Small and Medium-Sized Enterprise Revitalization Support Councils, or persons who were employed as such, must not divulge or misappropriate any confidential information that has come to their knowledge regarding business operations to support small and medium-sized enterprise revitalization.

(2) The provisions of the preceding paragraph do not apply to the following information:

(i) information that officers or employees of an approved support institution or members of its Small and Medium-Sized Enterprise Revitalization Support

Council provide to the Organization for Small & Medium Enterprises and Regional Innovation concerning the business operations set forth in Article 140, item (iv), if the Organization for Small & Medium Enterprises and Regional Innovation needs to receive information from the approved support institution for the purpose of smoothly undertaking those business operations;

(ii) information that officers or employees of an approved support institution or members of its Small and Medium-Sized Enterprise Revitalization Support Council provide to the Organization for Small & Medium Enterprises and Regional Innovation, concerning the business operations set forth in Article 134, paragraph (2), item (i) (limited to those regarding what are set forth in (b) of the same item) and the business operations set forth in item (ii) of the same paragraph, if the approved support institution needs to receive advice from the Organization for Small & Medium Enterprises and Regional Innovation or have experts dispatched to itself, for the purpose of smoothly undertaking those businesses; and

(iii) information that officers or employees of an approved support institution or members of its Small and Medium-Sized Enterprise Revitalization Support Council provide to officers or employees of another approved support institution or members of its Small and Medium-Sized Enterprise Revitalization Support Council, concerning the business operations set forth in Article 134, paragraph (2), item (ii), if that approved support institution needs to receive information from that other approved support institution for the purpose of smoothly undertaking those operations.

(Orders for Improvement)

Article 137 If the Minister of Economy, Trade and Industry determines that improvements are necessary with respect to an approved support institution's management of its business operations to support small and medium-sized enterprise revitalization, the minister may order the approved support institution to take measures necessary for those improvements.

(Rescission of Approval)

Article 138 If an approved support institution has violated an order under the preceding Article, the Minister of Economy, Trade and Industry may rescind its approval.

(Special Provisions for the Small and Medium-Sized Enterprise Credit Insurance Act)

Article 139 Regarding an approved support institution that has received a guarantee for obligations as prescribed in Article 3, paragraph (1) or Article 3-

2, paragraph (1) of the Small and Medium-Sized Enterprise Credit Insurance Act regarding funds necessary for undertaking a specified program for supporting small and medium-sized enterprise revitalization (meaning a program regarding business operations to support small and medium-sized enterprise revitalization that have been decided on by a Small and Medium-Sized Enterprise Revitalization Support Council), the approved support institution is deemed to be the small or medium-sized enterprise set forth in Article 2, paragraph (1) of the same Act, and the provisions of Article 3, Article 3-2, and Article 4 to Article 8 of the same Act apply to the relevant institution. In this case, with respect to the application of the provisions of Article 3, paragraph (1) and Article 3-2, paragraph (1) of the same Act, the phrase "borrowing" in those provisions is deemed to be replaced with "borrowing of funds necessary for implementing the program for supporting specified small and medium-sized enterprise revitalization prescribed in Article 139 of the Act on Strengthening Industrial Competitiveness (Act No. 98 of 2013)".

(Business Operations to Support Revitalization, Which Are Undertaken by the Organization for Small & Medium Enterprises and Regional Innovation)
Article 140 The Organization for Small & Medium Enterprises and Regional Innovation undertakes the following business operations for the purpose of supporting the revitalization of small and medium-sized enterprises:

- (i) providing limited investment partnerships (limited to those specified by Cabinet Order as partnerships providing funds to businesses that implement corporate restructuring or SME business rehabilitation through succession; the relevant partnerships are referred to as "specified limited investment partnerships" in paragraph (2) of the following Article) that implement investment programs targeting small and medium-sized enterprises with the necessary funds for the investments;
- (ii) undertaking the business operations set forth in Article 134, paragraph (2), items (i) through (iv);
