

Regulations for Enforcement of the Agricultural Chemicals Regulation Act

(Order of the Ministry of Agriculture and Forestry No. 21 of April 20, 1951)

In accordance with the Agricultural Chemicals Regulation Act (Act No. 82 of 1948), and in order to implement that Act, these Regulations for Enforcement of the Agricultural Chemicals Regulation Act are established as follows.

(Format of Written Application for Registration)

Article 1 The format of a written application that is submitted pursuant to Article 3, paragraph (2) of the Agricultural Chemicals Regulation Act (hereinafter referred to as "the Act") (including as applied mutatis mutandis pursuant to Article 34, paragraph (6) of the Act; the same applies in paragraph (1) of the following Article and Article 3) must be modeled after Appended Form 1.

(Documents to Be Submitted)

Article 2 (1) The documents prescribed by Order of the Ministry of Agriculture, Forestry and Fisheries that are referred to in Article 3, paragraph (2) of the Act are the following; provided, however, that if there are reasonable grounds that make the submission of some of the documents unnecessary considering the usage of the agricultural chemical to which the application pertains and other such particulars, the person is not required to submit those documents:

- (i) test results on the composition of the agricultural chemical and the technical grade active ingredients;
- (ii) test results on stability, degradability and other physical and chemical properties;
- (iii) test results on efficacy on applicable pests or applicable crops, etc.;
- (iv) test results on phytotoxicity to crops, etc.;
- (v) the following test results related to the effects on humans:
 - (a) test results on metabolism in animal bodies; and
 - (b) test results on acute, short-term, and long-term toxicity, genotoxicity, carcinogenicity, reproductive toxicity, neurotoxicity, and other toxicity ;
- (vi) test results on metabolism in plant bodies and residues in crops, etc.;
- (vii) test results on metabolism in the bodies of livestock that produce edible meat, chicken eggs, or other such livestock products and residues in livestock products;
- (viii) test results on environmental fate and residues in soil;
- (ix) test results on effects on flora and fauna in the human living environment,

- and on livestock;
- (x) test results on the methods of analyzing specimens that were used in the tests that produced the results set forth in items (i) and (vi) through (viii); and
 - (xi) other documents that the Minister of Agriculture, Forestry and Fisheries finds to be necessary.
- (2) Beyond what is set forth in the items of the preceding paragraph, if the agricultural chemical to which the application pertains contains an active ingredient other than one that is contained in an agricultural chemical that has been registered as referred to in Article 3, paragraph (1) or Article 34, paragraph (1) of the Act, or if the Minister of Agriculture, Forestry and Fisheries finds it to be necessary to do so, the Minister may ask for the submission of a sample of 200 grams or more of the agricultural chemical and an inspection document for that sample that is based on Appended Form 2.

(Route of Written Applications for Registration)

Article 3 The written application and documents that are submitted to the Minister of Agriculture, Forestry and Fisheries pursuant to Article 3, paragraph (2) of the Act may be submitted via the Food and Agricultural Materials Inspection Center (hereinafter referred to as "the Center").

(Omitting Documents That Are Required to Be Submitted)

Article 4 (1) It is permissible to omit the following documents as under Article 3, paragraph (3) of the Act (including as applied mutatis mutandis pursuant to Article 34, paragraph (6) of the Act; the same applies in the following paragraph) if, judging from the submitted documents, the technical grade active ingredient of the agricultural chemical to which the application pertains is recognized as being equivalent to that of an agricultural chemical that has already been registered as referred to in Article 3, paragraph (1) or Article 34, paragraph (1) of the Act (but only one that has been registered for fifteen years or more; hereinafter referred to as an "agricultural chemical that is already registered" in this Article), in terms of its ingredients and the severity of its toxicity:

- (i) documents set forth in Article 2, paragraph (1), item (ii) (limited to those concerning hydrolyzability and aquatic photodegradability), and documents set forth in item (v), (a) and items (vi) through (viii) of that paragraph (but only if it has been fifteen years or more since the corresponding documents concerning the agricultural chemical that is already registered were submitted, and the documents concerning the agricultural chemical that is already registered are recognized as being sufficient to allow the examination referred to in Article 3, paragraph (4) of the Act (including as

- applied mutatis mutandis pursuant to Article 34, paragraph (6) of the Act; the same applies in the following item)); and
- (ii) documents set forth in Article 2, paragraph (1), item (v), (b) and item (ix) from tests that were performed using technical grade active ingredients (but only if it has been fifteen years or more since corresponding documents concerning the agricultural chemical that is already registered were submitted, and the documents concerning the agricultural chemical that is already registered are recognized as being sufficient to allow the examination referred to in Article 3, paragraph (4) of the Act).
 - (2) A person that wishes to omit documents pursuant to Article 3, paragraph (3) of the Act must submit a written request modeled after Appended Form 3.
 - (3) The written request referred to in the preceding paragraph may be submitted via the Center.

(Operations Related to Examinations at the Center)

- Article 5 (1) The Center is to investigate the ingredients, physical and chemical properties, efficacy, phytotoxicity, toxicity to humans and animals, and other such characteristics of agricultural chemicals, as well as the reliability of analysis, tests, and test results, as operations related to the examination prescribed in Article 3, paragraph (5) of the Act (including as applied mutatis mutandis pursuant to Article 34, paragraph (6) of the Act).
- (2) When the Center has carried out the operations prescribed in the preceding paragraph, it must report the results of those operations to the Minister of Agriculture, Forestry and Fisheries without delay, using a written report of results modeled after Appended Form 4.

(Payment Method for Fees)

- Article 6 The fees under Article 3, paragraph (8) of the Act (including as applied mutatis mutandis pursuant to Article 34, paragraph (6) of the Act); Article 5, paragraph (4) of the Act (including as applied mutatis mutandis pursuant to Article 6, paragraph (4) (including as applied mutatis mutandis pursuant to Article 34, paragraph (6) of the Act) and Article 34, paragraph (6) of the Act); and Article 7, paragraph (6) and Article 8, paragraph (7) of the Act (including as are applied mutatis mutandis pursuant to Article 34, paragraph (6) of the Act) must be paid with revenue stamps.

(Route for the Issuance of Registration Certificates)

- Article 7 The issuance of a registration certificate under Article 3, paragraph (9) of the Act (including as applied mutatis mutandis pursuant to Article 34, paragraph (6) of the Act; the same applies in Article 14, paragraph (2), item (v)) is to be done via the Center.

(Notification Procedures for a Person That Has Succeeded to Another Person's Status)

- Article 8 (1) The relevant person must file a notification and apply for the issuance of a revised registration certificate or a new registration certificate under Article 5, paragraph (3) of the Act (including as applied mutatis mutandis pursuant to Article 34, paragraph (6) of the Act; the same applies in paragraph (3)) by submitting a written notification and application that is based on Appended Form 5.
- (2) The written application referred to in the preceding paragraph may be submitted via the Center.
- (3) The issuance of a revised registration certificate under Article 5, paragraph (3) of the Act or of a registration certificate under those provisions is to be done via the Center.

(Manner in Which Registration Certificates Are Kept at a Manufacturing Plant or Office)

- Article 9 The relevant person must keep a registration certificate or a copy of it at the manufacturing plant or office under Article 6, paragraph (1) of the Act (including as applied mutatis mutandis pursuant to Article 34, paragraph (6) of the Act) in a way that makes it easy for people to inspect that certificate or copy.

(Notification Procedures for a Person That Has Been Registered)

- Article 10 (1) A person must file the notification under Article 6, paragraph (2) of the Act (including as applied mutatis mutandis pursuant to Article 34, paragraph (6) of the Act; hereinafter the same applies in this paragraph and paragraph (6)) by submitting a written notification that is based on Appended Form 6; provided, however, that if a matter that has changed falls under the category of a piece of information that is stated in a registration certificate, a person must file the notification and apply to be issued a revised registration certificate as under Article 6, paragraph (2) of the Act by submitting a written notification and application that is based on Appended Form 7, accompanied by the registration certificate.
- (2) A person must file the notification and application for reissuance under Article 6, paragraph (3) of the Act (including as applied mutatis mutandis pursuant to Article 34, paragraph (6) of the Act; the same applies in paragraph (6)) by submitting a written application for reissuance that is based on Appended Form 8.
- (3) A person must file the notification under Article 6, paragraph (5) of the Act (including as applied mutatis mutandis pursuant to Article 34, paragraph (6) of

- the Act) by submitting a written notification that is based on Appended Form 9.
- (4) A person must file the notification under Article 6, paragraph (6) of the Act (including as applied *mutatis mutandis* pursuant to Article 34, paragraph (6) of the Act) by submitting a written notification that is based on Appended Form 10.
- (5) The written application referred to in paragraph (1) or (2) may be submitted via the Center.
- (6) The issuance of a revised registration certificate under Article 6, paragraph (2) of the Act and the reissuance of a registration certificate under paragraph (3) of that Article are to be done via the Center.

(Applying to Register a Change)

- Article 11 (1) The matters prescribed by Order of the Ministry of Agriculture, Forestry and Fisheries that are referred to in Article 7, paragraph (1) of the Act (including as applied *mutatis mutandis* pursuant to Article 34, paragraph (6) of the Act; hereinafter the same applies in this Article) are the following:
- (i) the person's name (or, if the person is a corporation, its name and the name of its representative; the same applies in Article 19, paragraph (2), item (i)) and address;
 - (ii) the registration number and name of the agricultural chemical;
 - (iii) the substance of the change; and
 - (iv) if applicable, an indication that the change causes a change in a particular that is required to be stated in a written application for registration of an agricultural chemical, and the substance of this.
- (2) A person must file the application to register a change under Article 7, paragraph (1) of the Act by submitting a written application that is based on Appended Form 11.
- (3) The documents prescribed by Order of the Ministry of Agriculture, Forestry and Fisheries that are referred to in Article 7, paragraph (1) of the Act are those set forth in the items of Article 2, paragraph (1) which relate to the substance of the change to which the application under Article 7, paragraph (1) of the Act pertains; provided, however, that if there are reasonable grounds that make the submission of a part of the documents unnecessary considering the usage of the agricultural chemical to which the application pertains and other such particulars, the person is not required to submit those documents.
- (4) The provisions of Articles 3, 5, and 7 apply *mutatis mutandis* to the registration of a change under Article 7, paragraph (1) of the Act.

(Applying for a Reevaluation)

- Article 12 (1) A person seeking to undergo a reevaluation under Article 8, paragraph (1) of the Act (including as applied *mutatis mutandis* pursuant to

Article 34, paragraph (6) of the Act; the same applies in the following paragraph) must submit a written notification that is based on Appended Form 12 at the time of submitting the documents referred to in Article 8, paragraph (3) of the Act (including as applied mutatis mutandis pursuant to Article 34, paragraph (6) of the Act).

- (2) The provisions of Articles 3, 5, and 7 apply mutatis mutandis to a reevaluation under Article 8, paragraph (1) of the Act.

(Reevaluation Implementation Period)

Article 13 The period specified by Order of the Ministry of Agriculture, Forestry and Fisheries that is referred to in Article 8, paragraph (2) of the Act (including as applied mutatis mutandis pursuant to Article 34, paragraph (6) of the Act) is fifteen years.

(Method of Labeling Agricultural Chemicals)

Article 14 (1) The labeling under Article 16 of the Act (including as applied mutatis mutandis pursuant to Article 34, paragraph (6) of the Act; hereinafter the same applies in this Article) must be done in terms that are easy for users of the agricultural chemical to read and understand, and the person in question must label the agricultural chemical by printing the matters to be indicated pursuant to Article 16 of the Act (hereinafter referred to as the "labeling information") on the container of the chemical or by affixing a label onto which the labeling information has been printed to that container (or to the packaging, if the chemical is sold without a container; the same applies hereinafter); provided, however, that if it is difficult to print all the labeling information on the container or to affix a label onto which all the labeling information has been printed to the container, the person in question may label the agricultural chemical with the part of the labeling information that is set forth in items (iv) through (ix) of that Article by attaching a document onto which this has been printed to the container of the agricultural chemical.

- (2) The person in question must label the agricultural chemical with the usage that the registration is for as referred to in Article 16, item (iv) of the Act by giving the following particulars for each type of applicable crop, etc.:
- (i) the maximum and minimum amounts to be used per unit area;
 - (ii) the maximum and minimum dilutions ("dilution" refers to the multiple by which an agricultural chemical is diluted);
 - (iii) timing of use;
 - (iv) total number of times that the agricultural chemical may be used during the period from the sowing or planting of seeds and seedlings used for producing crops, etc. (including during preparation for sowing or planting them; or from the time of the preceding harvest, for fruit trees, tea plants,

- and other plants that are harvested multiple times) to the harvesting of the crops, etc. (referred to as the "growing period" in the following item);
- (v) the total number of permitted uses for each type of active ingredient that the agricultural chemical contains (meaning the total number of times that an agricultural chemical containing the relevant active ingredient may be used during the growing period; this refers to the total numbers of permitted uses in each separate category, if the registration certificate prescribed in Article 3, paragraph (9) of the Act states the total number of permitted uses separately for each timing or mode of use);
 - (vi) the modes of use, such as spraying or mixing; and
 - (vii) the necessary particulars related to the usage of the agricultural chemical, beyond what is set forth in the preceding items.

(Form for Sellers' Notifications)

Article 15 A person must file the notification under Article 17, paragraph (1) of the Act by submitting a written notification that is based on Appended Form 13.

(Preservation of Books by Manufacturers)

- Article 16 (1) The persons specified by Order of the Ministry of Agriculture, Forestry and Fisheries that are referred to in Article 20 of the Act are those that manufacture, process, or import agricultural chemicals for the purpose of testing and research.
- (2) A person must preserve the books referred to in Article 20 of the Act for a three-year period following the date of the final entry.

(Method of Labeling Herbicides)

- Article 17 (1) A person must label an herbicide under Article 22, paragraph (1) of the Act using a method that falls under all of the following items:
- (i) the person prints an indication that the herbicide cannot be used as an agricultural chemical onto the container or packaging, or affixes a label onto which an indication of this has been printed to the container or packaging;
 - (ii) the characters used to label it are of a clearly legible size and style, for the volume of the container or the dimensions of the packaging; and
 - (iii) there is a clear color contrast between characters used to label it and either the container or packaging or the label, making those characters clearly legible.
- (2) A person must label an herbicide under Article 22, paragraph (2) of the Act using a method that falls under all of the following items:
- (i) the characters used to label it are clearly legible in size and style; and
 - (ii) there is a clear color contrast between the characters used to label it and

the background, making those characters clearly legible.

(Obligation to Report Manufactured and Imported Quantities)

Article 18 For each type of agricultural chemical, a manufacturer or importer of agricultural chemicals must report the quantity manufactured or imported and the quantity transferred during the period from October of the previous year to September of the year in question, as well as information on the occurrence of harm to crops, etc., humans, animals, or flora and fauna in the human living environment that has been caused by the use of that chemical, research reports on the chemical's impact on these, information on anything equivalent to a change, rescission, or loss of validity of a registration for the chemical that has occurred in a foreign country, and other information on the safety of the chemical that is identified during that period to the Minister of Agriculture, Forestry and Fisheries by October 10 of each year, using Appended Form 14.

(Reporting)

Article 19 (1) The Center must make the report under Article 30, paragraph (3) of the Act (including as applied *mutatis mutandis* pursuant to Article 35, paragraph (3) of the Act) without delay, by submitting a document stating the matters set forth in item (i), if it has collected an agricultural chemical or a raw material for it (hereinafter referred to as an "agricultural chemical or raw material"), or by submitting a document stating the matters set forth in item (ii), if it has conducted an on-site inspection:

- (i) the name of the manufacturer, importer, seller, or user of the agricultural chemical, person that manufactures the technical grade active ingredient, or other related person (referred to as the "manufacturer or other related person" in the following item) from whom it collected the agricultural chemical or raw material (or its name and the name of its representative, if the person is a corporation (other than a corporation manufacturing a technical grade active ingredient); or just its name, if the person is a corporation manufacturing a technical grade active ingredient; the same applies in the following item) and that person's address; the time, date, and place from which it collected the agricultural chemical or raw material; the type, name, and quantity of the agricultural chemical or raw material it collected; and the substance and results of its inspection of the agricultural chemical or raw material it collected; or
- (ii) the name and address of the manufacturer or other related person in connection with whom it conducted the on-site inspection; the time, date, and place at which it conducted the on-site inspection; and the results of the on-site inspection.

(2) The prefectural governor must make the report under Article 4, paragraph (6)

of the Order for Enforcement of the Agricultural Chemicals Regulation Act (Cabinet Order No. 56 of 1971) without delay, by submitting a document stating the following matters:

- (i) the name and address of the seller that the governor has restricted or prohibited from selling agricultural chemicals;
- (ii) the date on which the governor restricted or prohibited the seller from selling them;
- (iii) the reason that the governor has restricted or prohibited the seller from selling them; and
- (iv) other matters for reference.

(Form of Identification Cards for Center Employees)

Article 20 A Center employee's identification card under Article 29, paragraph (4) of the Act, as applied mutatis mutandis pursuant to Article 30, paragraph (4) of the Act (including as applied mutatis mutandis pursuant to Article 35, paragraph (3) of the Act) is to be based on Appended Form 15.

(Form for Filing a Notification of a Change to the Domestic Administrator)

Article 21 A person must file the notification under Article 34, paragraph (3) of the Act by submitting a written notification that is based on Appended Form 16.

(Procedures for a Registered Foreign Manufacturer to Notify the Domestic Administrator)

Article 22 For each type of agricultural chemical subject to the registration referred to in Article 34, paragraph (1) of the Act, a registered foreign manufacturer must notify the domestic administrator under Article 34, paragraph (4) of the Act of the quantity it has manufactured and the quantity it has transferred to each transferee during the period from October of the previous year to September of the year in question (but only the quantities exported to Japan), and of information on the occurrence of harm to crops, etc., humans, animals, or flora and fauna in the human living environment that has been caused by the use of that chemical; research reports on the chemical's impact on these; information on anything equivalent to a change, rescission, or loss of validity of registration for the chemical that has occurred in a foreign country; and other information on the safety of the chemical that is identified during that period by October 20 of each year, using Appended Form 17.

(Preservation of Books by Registered Foreign Manufacturers)

Article 23 A person must preserve the books referred to in Article 34, paragraphs (4) and (5) of the Act for a three-year period following the date of

the final entry.

(Domestic Administrator's Obligation to Report)

Article 24 Having been notified as under Article 34, paragraph (4) of the Act, a domestic administrator must make a report to the Minister of Agriculture, Forestry and Fisheries using Appended Form 18, within ten days from the date on which the administrator was notified of the relevant matters.

(Form for Importers' Notifications)

Article 25 A person must file the notification under Article 36, paragraph (1) of the Act by submitting a written notification that is based on Appended Form 19.

(Procedures for Registration of Foreign Manufactured Agricultural Chemicals)

Article 26 For an agricultural chemical that is subject to the registration referred to in Article 34, paragraph (1) of the Act, a person must submit the written application and documents to be submitted to the Minister of Agriculture, Forestry and Fisheries pursuant to Article 3, paragraph (2) or Article 7, paragraph (1) of the Act, as applied mutatis mutandis pursuant to Article 34, paragraph (6) of the Act; the sample of the agricultural chemical and inspection document referred to in Article 2, paragraph (2); the written request referred to in Article 4, paragraph (2); the written notification and application referred to in Article 8, paragraph (1) or Article 10, paragraph (1); the registration certificate referred to in that paragraph or Article 7, paragraph (1) of the Act, as applied mutatis mutandis pursuant to Article 34, paragraph (6) of the Act; the written notification referred to in Article 10, paragraph (1), (3) or (4), or Article 21; the written application referred to in Article 10, paragraph (2) or Article 12, paragraph (1); and the documents referred to in Article 8, paragraph (3) of the Act, as applied mutatis mutandis pursuant to Article 34, paragraph (6) of the Act, via the domestic administrator.

(Delegation of Authority)

Article 27 (1) The authority of the Minister of Agriculture, Forestry and Fisheries under Article 23 of the Act is delegated to the heads of the Regional Agricultural Administration Offices; provided, however, that this does not preclude the Minister of Agriculture, Forestry and Fisheries from personally exercising that authority.

(2) The authority of the Minister of Agriculture, Forestry and Fisheries under Article 29, paragraph (1) of the Act to order a manufacturer, importer, seller, or user of agricultural chemicals, an herbicide seller, a person that manufactures a technical grade active ingredient, or any other person

concerned to report on the manufacture, processing, import, sale, or use of an agricultural chemical, the sale of an herbicide, the manufacture of a technical grade active ingredient, or another such matter; to have the relevant officials collect an agricultural chemical or its raw material or an herbicide from one of these persons in the quantity necessary for an inspection; or to have those officials enter the necessary sites and inspect the manufacture, processing, import, sale, or use of an agricultural chemical, the sale of an herbicide, the manufacture of a technical grade active ingredient, or the circumstances of any other such matter, or inspect books, documents, or other necessary items, is delegated to the heads of the Regional Agricultural Administration Offices; provided, however, that this does not preclude the Minister of Agriculture, Forestry and Fisheries from personally exercising that authority.

(3) The authority of the Minister of Agriculture, Forestry and Fisheries under Article 29, paragraph (3) of the Act to order a manufacturer, importer, or user of an agricultural chemical, an herbicide seller, a person that manufactures a technical grade active ingredient, or any other person concerned to report on the manufacture, processing, import, or use of an agricultural chemical, the sale of an herbicide, the manufacture of a technical grade active ingredient, or any other such matter; to have the relevant officials collect an agricultural chemical or its raw material or an herbicide from one of these persons in the quantity necessary for an inspection; or to have those officials enter the necessary sites and inspect the manufacture, processing, import, or use of an agricultural chemical, the sale of an herbicide, the manufacture of a technical grade active ingredient, or the circumstances of any other such matter, or inspect books, documents, or other necessary items, is delegated to the heads of the Regional Agricultural Administration Offices; provided, however, that this does not preclude the Minister of Agriculture, Forestry and Fisheries from personally exercising that authority.

(4) The authority of the Minister of Agriculture, Forestry and Fisheries under Article 31, paragraph (2) of the Act is delegated to the heads of the Regional Agricultural Administration Offices; provided, however, that this does not preclude the Minister of Agriculture, Forestry and Fisheries from personally exercising that authority.

(Number of Copies of Documents to Be Submitted)

Article 28 A person must submit the original and one duplicate copy of the written application referred to in Article 1, Article 10, paragraph (2), Article 11, paragraph (2), or Article 12, paragraph (1), the written request referred to in Article 4, paragraph (2), the written notification and application referred to in Article 8, paragraph (1) or Article 10, paragraph (1), and the written notification referred to in that paragraph, paragraph (3) or (4) of that Article,

Article 15, Article 21, or Article 25; and must submit one copy of the written report referred to in Article 5, paragraph (2), Article 18, Article 19, or Article 24.

Supplementary Provisions

- (1) This Ministerial Order comes into effect as of the date of promulgation.
- (2) The Regulations for Enforcement of the Agricultural Chemicals Regulation Act (Order of the Prime Minister's Agency and the Ministry of Agriculture and Forestry No. 5 of 1948) is repealed.

Supplementary Provisions [Order of the Ministry of Agriculture and Forestry No. 36 of May 1, 1963] [Extract]

- (1) This Ministerial Order comes into effect as of the date of promulgation.

Supplementary Provisions [Order of the Ministry of Agriculture and Forestry No. 2 of January 14, 1971]

This Ministerial Order comes into effect as of the date of promulgation.

Supplementary Provisions [Order of the Ministry of Agriculture and Forestry No. 15 of March 30, 1971] [Extract]

- (1) This Ministerial Order comes into effect as of the date on which the Act Partially Amending the Agricultural Chemicals Regulation Act (Act No. 1 of 1971) comes into effect (April 1, 1971).

Supplementary Provisions [Order of the Ministry of Agriculture and Forestry No. 55 of July 1, 1971]
