

Enforcement Order of the Act on Japanese Agricultural Standards (reflecting amendments in effect as of October 1, 2022 (Tentative translation))

(Cabinet Order No. 291 of August 31, 1951)

In accordance with the provisions of Article 2, paragraph (1) and Article 17, paragraph (1) of the Agricultural and Forest Commodities Standards Act (Act No. 175 of 1950), the Cabinet enacts this Cabinet Order amending all provisions of the Enforcement Order of the Agricultural and Forest Commodities Standards Act (Cabinet Order No. 178 of 1950).

(Agricultural and Forestry Products Other Than Food and Drinks, and Oils and Fats)

Article 1 The products specified by Cabinet Order provided in Article 2, paragraph (1), item (ii) of the Act on Japanese Agricultural Standards (Act No. 175 of 1950; hereinafter referred to as the "Act") are decorative plants, industrial crops, standing trees/bamboo, aquarium fish, pearls, products made from soft rush, raw silk, lacquer, bamboo materials, timber (except plywood for aircraft), charcoal, and animal feed using agricultural, forestry, livestock, or marine products as raw materials or ingredients.

(Requirement for the Raw Materials of Alcohol Beverages included in the scope of the Standards)

Article 2 (1) The requirements specified by Cabinet Order provided in Article 2, paragraph (2), item (i), (b) of the Act for the plant products, that should be produced in such a way as to have least environmental load, is that such plant products (limited to those complying with the standards specified by the competent minister) must be harvested in the fields where any chemically synthesized agricultural chemicals, fertilizer or soil improvement substances (excluding those specified by the competent minister for unavoidable use; hereinafter referred to as "chemical pesticides, etc." in this paragraph and item (i), (b) of the following paragraph) have not been applied from two years before seeding or planting of seedlings that are used for producing the plant products (or three years before the first harvest in the case of those harvested from the perennial plants) until it's time to harvest the relevant plant products (including those where chemical pesticides, etc. have not been used for a year before the first harvesting of the relevant plant products and will not be used continuously with certainty after harvesting the relevant plant products).

(2) The requirement specified by Cabinet Order provided in Article 2, paragraph

(2), item (i), (b) of the Act for the livestock products, that should be produced in such a way as to have least environmental load and cause livestock least pain or suffering, is that such livestock products (limited only to those produced in conformity with the standards specified by the competent minister) shall satisfy all of the following items:

- (i) must be produced from the cattle to which the following feeds have been mainly provided:
 - (a) those plant products prescribed in the preceding paragraph(1);
 - (b) those plants (except for those set forth in the above (a) and limited only to those in conformity with the standards specified by the competent minister) that are collected from or grown in the fields or pasture lands (including the fields or pasture lands that are free from chemical pesticides during the period specified by the competent minister, in cases where it is permitted to shorten the chemical pesticide-free period in consideration of the production conditions including grazing, etc., as specified by the competent minister), where any chemical pesticides etc. have not been applied from two years before seeding or planting of seedlings (or three years before its first harvest or the relevant livestock grazing in the case of the perennial plants) until it's time to finish livestock grazing ;
 - (c) those livestock products produced from the cattle to which the following feeds have been mainly provided (limited only to those in conformity with the standards specified by the competent minister):
 - 1. those set forth in (a) or (b); and
 - 2. those products manufactured or processed by exclusively using those products set forth in 1. as their raw materials or ingredients (limited only to those in conformity with the standards specified by the competent minister).
 - (d) those products manufactured or processed by exclusively using those products set forth in the above (a) through (c) as their raw materials or ingredients (limited only to those in conformity with the standards specified by the competent minister).
- (ii) must be those products produced from the livestock that have been raised in accordance with the following standards or the livestock that have been raised and slaughtered in accordance with the relevant standards:
 - (a) must be in conformity with the standards specified by the competent minister, with reference to the breeding, capture, transport, slaughtering and other handling of livestock, in such a way as to cause livestock least pain or suffering such as "not to hurt the livestock intentionally" etc.; and
 - (b) must be in conformity with the standards specified by the competent minister, with reference to the livestock barns or places for raising livestock, in such a way as to cause livestock least pain or suffering, such

as "providing livestock with the necessary feeds and fresh water",
"livestock should have sufficient room and opportunity to move around
freely" etc.

(Councils Specified by Cabinet Order)

Article 3 The council, etc. specified by Cabinet Order provided in Article 3,
paragraph (4) of the Act is the Council for the Japanese Agricultural Standards.

(Accreditation Fees of an Accredited Certification Body)

Article 4 (1) The amount specified by Cabinet Order provided in Article 14,
paragraph (1) of the Act is that provided in the following items, according to
whether each division specified by order of the competent ministry referred to
in the same paragraph falls under any of the divisions set forth in the following
items:

- (i) divisions containing Japanese Agricultural Standards about criteria for the
matters set forth in Article 2, paragraph (2), item (i), (a) of the Act: 145,000
yen (or 144,500 yen in the case of an electronic application (meaning an
application made by using the electronic data processing system under
Article 6, paragraph (1) of the Act on the Advancement of Government
Administration Processes That Use Information and Communications
Technology (Act No. 151 of 2002) pursuant to the provisions of the same
paragraph; the same applies hereinafter)); or
 - (ii) divisions other than the divisions provided in the preceding item: 118,700
yen (or 118,200 yen in the case of an electronic application).
- (2) Notwithstanding the provisions of the preceding paragraph, if a person who
seeks the accreditation provided in Article 14, paragraph (1) of the Act
(hereinafter referred to as the "accreditation as an accredited certification
body" in this Article and Article 6) seeks the accreditation provided in Article
42 of the Act at the same time or has actually been granted the accreditation
under the same Article, the amount specified by Cabinet Order provided in
Article 14, paragraph (1) of the Act is that provided in the following items,
according to whether each division specified by order of the competent ministry
referred to in paragraph (1) of the same Article falls under any of the divisions
set forth in the following items:
- (i) divisions containing Japanese Agricultural Standards about criteria for the
matters set forth in Article 2, paragraph (2), item (i), (a) of the Act: 135,400
yen (or 134,900 yen in the case of an electronic application); or
 - (ii) divisions other than the divisions provided in the preceding item: 109,100
yen (or 108,600 yen in the case of an electronic application).
- (3) Notwithstanding the provisions of the preceding two paragraphs, if a person
who has actually been granted the accreditation as an accredited certification

body seeks other accreditation as an accredited certification body, the amount specified by Cabinet Order provided in Article 14, paragraph (1) of the Act is that provided in the following items, according to whether each division specified by order of the competent ministry referred to in paragraph (1) of the same Article falls under any of the divisions set forth in the following items:

- (i) divisions containing Japanese Agricultural Standards about criteria for the matters set forth in Article 2, paragraph (2), item (i), (a) of the Act: 80,900 yen (or 80,500 yen in the case of an electronic application); or
- (ii) divisions other than the divisions provided in the preceding item: 54,600 yen (or 54,200 yen in the case of an electronic application).

(4) Notwithstanding the provisions of the preceding three paragraphs, if a person who seeks the accreditation as an accredited certification body by paying the fees under the preceding three paragraphs seeks other accreditation as an accredited certification body at the same time, the amount specified by Cabinet Order provided in Article 14, paragraph (1) of the Act regarding the other accreditation as an accredited certification body is that provided in the following items, according to whether each division specified by order of the competent ministry referred to in paragraph (1) of the same Article falls under any of the divisions set forth in the following items:

- (i) divisions containing Japanese Agricultural Standards about criteria for the matters set forth in Article 2, paragraph (2), item (i), (a) of the Act: 71,100 yen; or
- (ii) divisions other than the divisions provided in the preceding item: 44,800 yen.

(Effective Period of Accreditation of an Accredited Certification Body)

Article 5 The period specified by Cabinet Order provided in Article 17, paragraph (1) of the Act is four years.

(Renewal Accreditation Fees of an Accredited Certification Body)

Article 6 (1) The amount specified by Cabinet Order provided in Article 14, paragraph (1) of the Act as applied mutatis mutandis pursuant to Article 17, paragraph (2) of the Act is that provided in the following items, according to whether each division specified by order of the competent ministry referred to in the same paragraph falls under any of the divisions set forth in the following items:

- (i) divisions containing Japanese Agricultural Standards about criteria for the matters set forth in Article 2, paragraph (2), item (i), (a) of the Act: 113,300 yen (or 112,900 yen in the case of an electronic application); or
- (ii) divisions other than the divisions provided in the preceding item: 95,800 yen (or 95,400 yen in the case of an electronic application).

(2) Notwithstanding the provisions of the preceding paragraph, if a person who seeks the renewal of accreditation provided in Article 17, paragraph (1) of the Act (hereinafter referred to as the "renewal of accreditation as an accredited certification body" in the following paragraph) seeks the renewal of accreditation provided in Article 45, paragraph (1) of the Act at the same time, the amount specified by Cabinet Order provided in Article 14, paragraph (1) of the Act as applied mutatis mutandis pursuant to Article 17, paragraph (2) of the Act is that provided in the following items, according to whether each division specified by order of the competent ministry referred to in paragraph (1) of the same Article falls under any of the divisions set forth in the following items:

(i) divisions containing Japanese Agricultural Standards about criteria for the matters set forth in Article 2, paragraph (2), item (i), (a) of the Act: 105,400 yen (or 105,000 yen in the case of an electronic application); or

(ii) divisions other than the divisions provided in the preceding item: 87,900 yen (or 87,500 yen in the case of an electronic application).

(3) Notwithstanding the provisions of the preceding two paragraphs, if a person who seeks the renewal of accreditation as an accredited certification body by paying the fees under the preceding two paragraphs seeks a renewal of other accreditation as an accredited certification body at the same time, the amount specified by Cabinet Order provided in Article 14, paragraph (1) of the Act as applied mutatis mutandis pursuant to Article 17, paragraph (2) of the Act regarding the renewal of the other accreditation as an accredited certification body is that provided in the following items, according to whether each division specified by order of the competent ministry referred to in paragraph (1) of the same Article falls under any of the divisions set forth in the following items:

(i) divisions containing Japanese Agricultural Standards about criteria for the matters set forth in Article 2, paragraph (2), item (i), (a) of the Act: 46,500 yen; or

(ii) divisions other than the divisions provided in the preceding item: 29,000 yen.

(Accreditation Fees of an Accredited Overseas Certification Body)

Article 7 (1) The amount specified by Cabinet Order provided in Article 34 of the Act is obtained by adding the amount equivalent to the travel expenses required for two employees of the Ministry of Finance, Ministry of Agriculture, Forestry and Fisheries or the Food and Agricultural Materials Inspection Center (hereinafter referred to as the "center") to travel to the place of business for conducting the investigation for the accreditation provided in the same Article (hereinafter referred to simply as the "amount of travel expenses" in this Article) to the amount set forth in the following items, according to

whether each division specified by order of the competent ministry referred to in the same Article falls under any of the divisions set forth in the following items:

- (i) divisions containing Japanese Agricultural Standards about criteria for the matters set forth in Article 2, paragraph (2), item (i), (a) of the Act: 102,700 yen (or 102,300 yen in the case of an electronic application); or
 - (ii) divisions other than the divisions provided in the preceding item: 76,400 yen (or 76,000 yen in the case of an electronic application).
- (2) Notwithstanding the provisions of the preceding paragraph, if a person who seeks the accreditation provided in Article 34 of the Act (hereinafter referred to as the "accreditation as an accredited certification body" in this Article and Article 10) seeks the accreditation provided in Article 53 of the Act at the same time or has actually been granted the accreditation under the same Article, the amount specified by Cabinet Order provided in Article 34 of the Act is obtained by adding the amount equivalent to the amount of travel expenses to that provided in the following items, according to whether each division specified by order of the competent ministry referred to in the same Article falls under any of the divisions set forth in the following items:
- (i) divisions containing Japanese Agricultural Standards about criteria for the matters set forth in Article 2, paragraph (2), item (i), (a) of the Act: 93,100 yen (or 92,700 yen in the case of an electronic application); or
 - (ii) divisions other than the divisions provided in the preceding item: 66,800 yen (or 66,400 yen in the case of an electronic application).
- (3) Notwithstanding the provisions of the preceding two paragraphs, if a person who has actually been granted the accreditation as an accredited certification body seeks other accreditation as an accredited certification body, the amount specified by Cabinet Order provided in Article 34 of the Act is obtained by adding the amount equivalent to the travel expenses to that provided in the following items, according to whether each division specified by order of the competent ministry referred to in the same Article falls under any of the divisions set forth in the following items:
- (i) divisions containing Japanese Agricultural Standards about criteria for the matters set forth in Article 2, paragraph (2), item (i), (a) of the Act: 73,700 yen (or 73,200 yen in the case of an electronic application); or
 - (ii) divisions other than the divisions provided in the preceding item: 47,400 yen (or 46,900 yen in the case of an electronic application).
- (4) Notwithstanding the provisions of the preceding three paragraphs, if a person who seeks the accreditation as an accredited certification body by paying the fees under the preceding three paragraphs seeks other accreditation as an accredited certification body at the same time, the amount specified by Cabinet Order provided in Article 34 of the Act regarding the other accreditation as an

accredited certification body is that provided in the following items, according to whether each division specified by order of the competent ministry referred to in the same paragraph falls under any of the divisions set forth in the following items:

(i) divisions containing Japanese Agricultural Standards about criteria for the matters set forth in Article 2, paragraph (2), item (i), (a) of the Act: 71,100 yen; or

(ii) divisions other than the divisions provided in the preceding item: 44,800 yen.

(5) The calculation of the amount of travel expenses is governed by the provisions of the Act on Travel Expenses of National Public Officers (Act No. 114 of 1950; hereinafter referred to as the "Travel Expenses Act") by deeming that employees who travel are at grade four in the Administrative Service (I) Salary Schedule provided in Article 6, paragraph (1), item (i), (a) of the Act on Remuneration of Officials in the Regular Service (Act No. 95 of 1950; hereinafter referred to as the "Remuneration Act"), and the amount of miscellaneous travel expenses and other details necessary for the calculation of the amount of travel expenses are specified by order of the competent ministry.

(Bearing the Expenses for Inspections at the Offices of an Accredited Overseas Certification Body)

Article 8 The expenses specified by Cabinet Order provided in Article 35, paragraph (4) of the Act are the expenses equivalent to the travel expenses required for two employees of the Ministry of Finance, the Ministry of Agriculture, Forestry and Fisheries or the center to travel to an office, place of business, or warehouse for conducting the inspection provided in paragraph (2), item (vi) of the same Article. In this case, the calculation of the amount of travel expenses is governed by the provisions of the Travel Expenses Act by deeming that employees who travel are at grade four in the Administrative Service (I) Salary Schedule provided in Article 6, paragraph (1), item (i), (a) of the Remuneration Act, and the amount of miscellaneous travel expenses and other details necessary for the calculation of the amount of travel expenses are specified by order of the competent ministry.

(Effective Period of Accreditation of an Accredited Overseas Certification Body)

Article 9 The period specified by Cabinet Order provided in Article 17, paragraph (1) of the Act as applied mutatis mutandis pursuant to Article 36 of the Act is four years.

(Renewal Accreditation Fees of an Accredited Overseas Certification Body)

Article 10 (1) The amount specified by Cabinet Order provided in Article 14,

paragraph (1) of the Act as applied mutatis mutandis pursuant to Article 17, paragraph (2) of the Act as applied mutatis mutandis pursuant to Article 36 of the Act is obtained by adding the amount equivalent to the travel expenses required for two employees of the Ministry of Finance, the Ministry of Agriculture, Forestry and Fisheries or the center to travel to the place of business for conducting the renewal investigation for the accreditation provided in Article 17, paragraph (1) of the Act as applied mutatis mutandis pursuant to Article 36 of the Act (hereinafter referred to simply as the "amount of travel expenses" in the following paragraph and paragraph (4)) to the amount set forth in the following items, according to whether each division specified by order of the competent ministry referred to in Article 14, paragraph (1) of the Act falls under any of the divisions set forth in the following items:

- (i) divisions containing Japanese Agricultural Standards about criteria for the matters set forth in Article 2, paragraph (2), item (i), (a) of the Act: 71,100 yen (or 70,600 yen in the case of an electronic application); or
- (ii) divisions other than the divisions provided in the preceding item: 53,600 yen (or 53,100 yen in the case of an electronic application).

(2) Notwithstanding the provisions of the preceding paragraph, if a person who seeks the renewal of accreditation provided in Article 17, paragraph (1) of the Act as applied mutatis mutandis pursuant to Article 36 of the Act (hereinafter referred to as the "renewal of accreditation as an accredited certification body" in the following paragraph) seeks the renewal of accreditation provided in Article 45, paragraph (1) of the Act as applied mutatis mutandis pursuant to Article 56 of the Act at the same time, the amount specified by Cabinet Order provided in Article 14, paragraph (1) of the Act as applied mutatis mutandis pursuant to Article 17, paragraph (2) of the Act as applied mutatis mutandis pursuant to Article 36 is obtained by adding the expenses equivalent to the travel expenses to that provided in the following items, according to whether each division specified by order of the competent ministry referred to in Article 14, paragraph (1) of the Act falls under any of the divisions set forth in the following items:

- (i) divisions containing Japanese Agricultural Standards about criteria for the matters set forth in Article 2, paragraph (2), item (i), (a) of the Act: 63,200 yen (or 62,700 yen in the case of an electronic application); or
- (ii) divisions other than the divisions provided in the preceding item: 45,700 yen (or 45,200 yen in the case of an electronic application).

(3) Notwithstanding the provisions of the preceding two paragraphs, if a person who seeks the renewal of accreditation as an accredited certification body by paying the fees under the preceding two paragraphs seeks a renewal of other accreditation as an accredited certification body at the same time, the amount

specified by Cabinet Order provided in Article 14, paragraph (1) of the Act as applied mutatis mutandis pursuant to Article 17, paragraph (2) of the Act as applied mutatis mutandis pursuant to Article 36 of the Act regarding the renewal of the other accreditation as an accredited certification body is that provided in the following items, according to whether each division specified by order of the competent ministry referred to in paragraph (1) of the same Article falls under any of the divisions set forth in the following items:

(i) divisions containing Japanese Agricultural Standards about criteria for the matters set forth in Article 2, paragraph (2), item (i), (a) of the Act: 46,500 yen; or

(ii) divisions other than the divisions provided in the preceding item: 29,000 yen.

(4) The provisions of Article 7, paragraph (5) apply mutatis mutandis to the calculation of the amount of travel expenses.

- (ii) affairs regarding orders under the provisions of Article 61, paragraph (3) of the Act regarding instructions of the person provided in (a) or (b) of the preceding item under the provisions of paragraph (1) of the same Article and public announcements under the provisions of Article 62 of the Act regarding the orders: the person provided in (a) or (b) below according to the category of a product handler set forth in (a) or (b) below:
 - (a) the product handler in a prefecture: the governor of the prefecture;
 - (b) the product handler in a designated city: the mayor of the designated city;
- (iii) affairs regarding requests to a product handler for the collection of reports

- and the submission of materials under the provisions of Article 65, paragraph (4) of the Act: the person provided in (a) or (b) below according to the category of a product handler set forth in (a) or (b) below:
- (a) a product handler other than the handler set forth in (b): the governor of a prefecture with jurisdiction over the principal office of the product handler
 - (b) a product handler whose principal office is located within the area of a designated city: the mayor of the designated city and the governor of a prefecture with jurisdiction over the designated city (in the case of the governor of a prefecture, limited to cases where it is found necessary for instructions or orders of the governor given pursuant to the provisions of Article 61 of the Act; the same applies in (b) of the following item and (b) of item (v))
- (iv) affairs regarding requests to business operator having a relationship with a product handler regarding operations for the collection of reports and the submission of materials under the provisions of Article 65, paragraph (4) of the Act: the person provided in (a) or (b) below according to the category of business operator set forth in (a) or (b) below:
- (a) a business operator having a relationship with a product handler regarding operations, other than the business operator set forth in (b): the governor of a prefecture with jurisdiction over the principal office of the business operator having a relationship with the product handler regarding operations
 - (b) a business operator having a relationship with a product handler regarding operations whose principal office is located exclusively within a designated city: the mayor of the designated city and the governor of a prefecture with jurisdiction over the designated city
- (v) affairs regarding inspections and questions to a product handler or a business operator having a relationship with the person with respect to its operations under the provisions of Article 65, paragraph (4) of the Act: the person provided in (a) or (b) below according to the category of a place regarding the inspections and questions set forth in (a) or (b) below;
- (a) a place other than that set forth in (b): the governor of a prefecture with jurisdiction over the relevant place
 - (b) a place in a designated city: the mayor of the designated city and the governor of the prefecture with jurisdiction over the designated city
- (vi) affairs regarding receipt of reports under the provisions of Article 70, paragraph (1) of the Act and investigations under the provisions of paragraph (2) of the same Article: the person provided in (a) or (b) below according to the category of a product handler subject to the reports set forth in (a) or (b) below:

- (a) a product handler other than the handler set forth in (b): the governor of a prefecture with jurisdiction over the principal office of the relevant product handler;
 - (b) a product handler whose principal office is located exclusively within a designated city: the mayor of the designated city and the governor of the prefecture with jurisdiction over the designated city.
- (2) In a case referred to in the main clause of the preceding paragraph, the provisions regarding the Prime Minister or the Minister of Agriculture, Forestry and Fisheries regarding the affairs provided in the main clause of the same paragraph of the Act (excluding the provisions of Article 61, paragraphs (2) and (4) and Article 65, paragraph (8) of the Act) apply to the governor of a prefecture or the mayor of a designated city as the provisions regarding the governor of a prefecture or the mayor of a designated city.
- (3) If the governor of a prefecture or the mayor of a designated city conducts the affairs set forth in paragraph (1), item (i) pursuant to the provisions of the main clause of the same paragraph, the governor or the mayor must report the details of the affairs to the Commissioner of the Consumer Affairs Agency and the Minister of Agriculture, Forestry and Fisheries pursuant to the provisions of Cabinet Office Order and Order of the Ministry of Agriculture, Forestry and Fisheries.
- (4) If the governor of a prefecture or the mayor of a designated city conducts the affairs set forth in paragraph (1), item (ii) pursuant to the provisions of the main clause of the same paragraph, the governor or the mayor must report the details of the affairs to the Commissioner of the Consumer Affairs Agency pursuant to the provisions of Cabinet Office Order.
- (5) If the governor of a prefecture or the mayor of a designated city conducts the affairs set forth in paragraph (1), items (iii) through (v) pursuant to the provisions of the main clause of the same paragraph, the governor or the mayor must report the results of the affairs to the persons provided in the following items according to the categories of cases set forth in the following items pursuant to the provisions of Cabinet Office Order and Order of the Ministry of Agriculture, Forestry and Fisheries:
- (i) when conducting affairs regarding product handlers other than those in a prefecture and in a designated city, or a business operator having a relationship with the person regarding its operations: the Commissioner of the Consumer Affairs Agency and the Minister of Agriculture, Forestry and Fisheries;
 - (ii) if the mayor of a designated city conducts affairs regarding a product handler in a prefecture or a business operator having a relationship with that handler with respect to its operations: the governor of the prefecture;
 - (iii) if the governor of a prefecture conducts affairs regarding the product

handler in a designated city or a business operator having a relationship with that handler with respect to its operations: the mayor of the designated city.

- (6) As a result of a request for the collection of reports or the submission of materials, conducting an inspection, or asking questions regarding the product handlers set forth in the following items or a business operator having a relationship with the handler with respect to its operations under the provisions of Article 65, paragraph (4) of the Act, when the Commissioner of the Consumer Affairs Agency or the Minister of Agriculture, Forestry and Fisheries considers that the product handlers set forth in the following items have violated the provisions of Article 60 of the Act or have not taken measures regarding instructions under the provisions of Article 61, paragraph (1) of the Act (limited to measures regarding instructions given by the person provided in paragraph (1), item (i) pursuant to the provisions of the main clause of the same paragraph) without just causes, the Commissioner or the Minister must notify the persons provided in the following items of this according to the categories of the product handlers:
- (i) the product handler in a prefecture: the governor of the prefecture;
 - (ii) the product handler in a designated city: the mayor of the designated city.
- (7) As a result of an investigation under the provisions of Article 70, paragraph (2) of the Act, when the Commissioner of the Consumer Affairs Agency or the Minister of Agriculture, Forestry and Fisheries considers that the governor of a prefecture or the mayor of a designated city needs to take the measures provided in the same paragraph, the Commissioner or the Minister must notify the governor or the mayor of this.
- (8) If the governor of a prefecture or the mayor of a designated city conducts an investigation under the provisions of Article 70, paragraph (2) of the Act among the affairs set forth in paragraph (1), item (vi) pursuant to the provisions of the main clause of the same paragraph, the governor or the mayor must report the results of the investigation to the persons provided in the following items according to the categories of cases set forth in the following items pursuant to the provisions of Cabinet Office Order and Order of the Ministry of Agriculture, Forestry and Fisheries:
- (i) if the governor of a prefecture conducts the investigation on the product handler in a designated city: the Commissioner of the Consumer Affairs Agency, the Minister of Agriculture, Forestry and Fisheries, and the mayor of the designated city;
 - (ii) if the mayor of a designated city conducts the investigation on the product handler in a prefecture: the Commissioner of the Consumer Affairs Agency, the Minister of Agriculture, Forestry and Fisheries, and the governor of the prefecture;

(iii) if investigations other than the investigations set forth in the preceding two items are conducted: the Commissioner of the Consumer Affairs Agency and the Minister of Agriculture, Forestry and Fisheries.

(9) In a case referred to in the proviso to paragraph (1), if the Commissioner of the Consumer Affairs Agency, the Minister of Agriculture, Forestry and Fisheries, the governor of a prefecture, or the mayor of a designated city conducts the affairs set forth in items (iii) through (vi) of the same paragraph, they are to conduct the affairs in close coordination with each other.
