

## Outline of the Bill to Partially Amend the Act on the Quota of Court

### Purpose

There is a need to reduce the number of court officials other than judges, in line with the rationalization and streamlining of the courts administration.

### Summary

The number of court officials other than judges will be reduced by 31.  
21,744 positions → 21,713 positions (related to Article 2)

Note: In order to strengthen the system to support the processing of court cases and to promote the co-parenting of children by national public employees, the number of court secretaries will be increased by 44\*1, while on the other hand, reducing the number of skilled labor staff and others by 75\*2 in line with the rationalization and streamlining of the courts administration, and through the increase and reductions mentioned above, trying to reduce the number of court officials other than judges by 31.

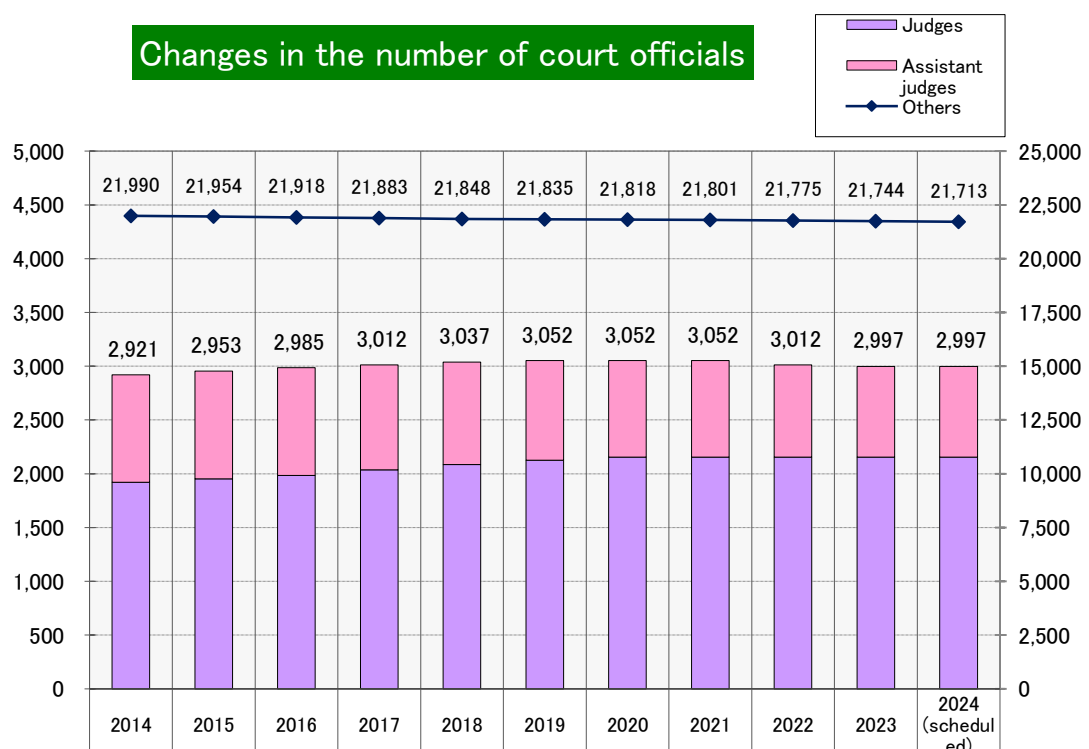

\*1 44 court secretaries (39 positions + 5 positions transferred from court stenographers)

\*2 After capacity rationalization: 70 positions + 5 positions transferred to court secretaries

### Effective Date

April 1, 2024 or the date of promulgation of this Act, whichever comes later.
