

Outline of the Act to Partially Amend the Act on the Quota of Court Officials

Purpose

There is a need to reduce the number of court officials other than judges, in line with the rationalization and streamlining of the courts administration.

Summary

The number of court officials other than judges will be reduced by 47.

- 21, 713 positions → 21, 666 positions (related to Article 2)

Note: In order to strengthen the processing of family court cases, the number of family court investigating officers will be increased by 5 *1, and in order to strengthen the system to support the processing of court cases and promote the co-parenting of children by national public employees, the number of court secretaries will be increased by 9, while on the other hand, reducing the number of skilled labor staff and others by 61 *2, in line with the rationalization and streamlining of the courts administration, and through the increases and reductions mentioned above, trying to reduce the number of court officials other than judges by 47.

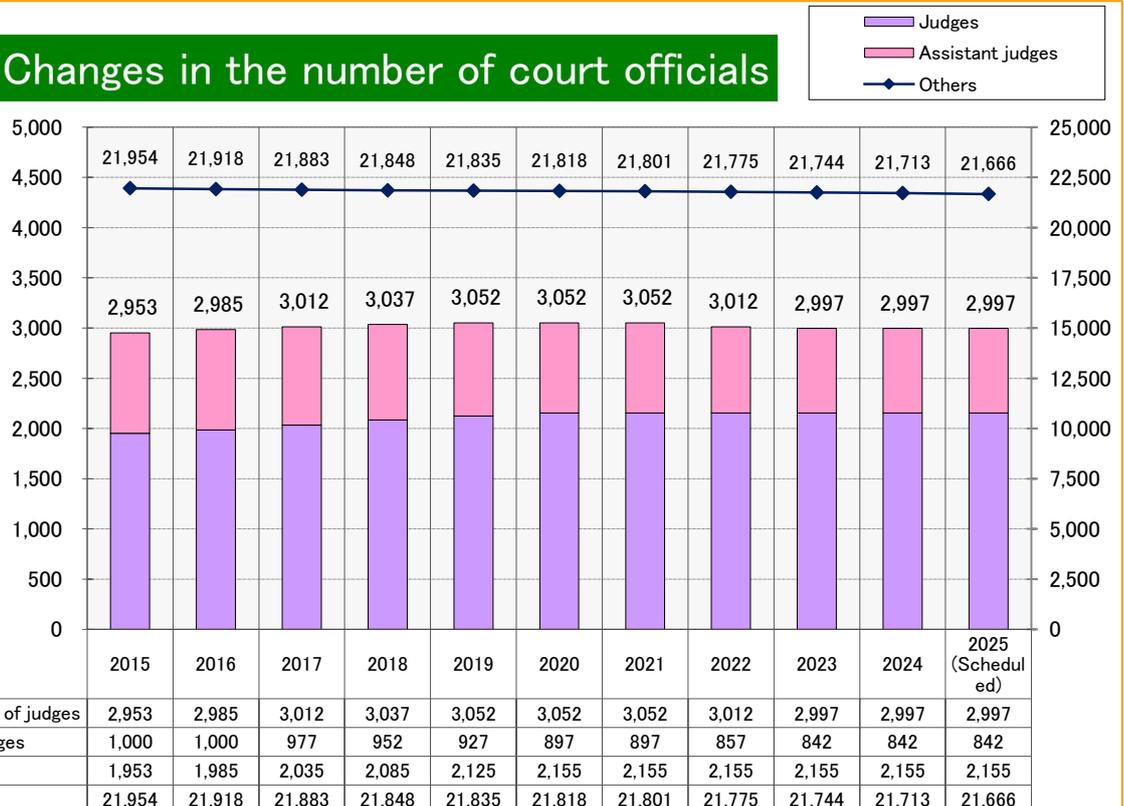

*1: 5 positions transferred from court stenographers

*2: After capacity rationalization : 56 positions + 5 positions transferred to family court investigating officers
